- 1) Enrolment is to be completed WHEREVER APPLICABLE and are 'as at September 30th' for each year.
- 2) Budgeted enrolment is to be based on best information available at time of the 2014/2015 budget report preparation.
- 3) The # of FTE grade 10-12 students is determined by taking the total # of students' credits / 35; where 35 CEU's = 1 FTE.
- 4) Other Grade 1-12 students that are not eligible for base instruction funding from Alberta Education include First Nations students living on reserves for which tuition fee payments are made from Band or INAC (Code 330), students younger than 5 1/2 or older than 20, and out-of-province and foreign students.
- 5) Because they are funded separately, Home Education students are not included with total net enrolled students. In the blended program, funding per student is pro-rated on the percentage of the student's program which is taken at school and at home; home education students are assigned a weighting of 0.25 FTE for base funding.
