To meet the demand for telecommunication services in the 403/780/587 region a new area code 825 will be introduced on April 9 2016. There will be no change to your existing phone numbers but new numbers beginning with 825 may be created. Charges and calling areas are the same for the new area codes. Special numbers like 9-1-1 can still be dialed using 3 digits. For more info. visit [newareacodes.ca](http://newareacodes.ca)
