

Grade 9 Knowledge and Employability Mathematics Results

*All Students Enrolled (Cohort)

* The **All Students Enrolled (Cohort)** category includes both writers and non-writers. Alberta Education requires jurisdictions to report cohort results.

** A positive difference on the **Difference between CBE and Province** graph indicates the CBE result is higher than that of the province, whereas a negative difference indicates a lower CBE performance.

NOTE: Because of flooding in Calgary in June 2013, Alberta Education exempted students in Calgary and Southern Alberta from the Grade 9 Knowledge and Employability Provincial Achievement Test. Accordingly, no PAT results are available for 2013.
