you make a difference

2012/2013

The Calgary Board of Education is proud to be associated with numerous organizations that support and enhance student learning. In order to meet student needs, our partnerships are highly dynamic, and evolve over time. Following is a list of many of the organizations that work with Calgary Board of Education schools and students, and who contribute to the strength and viability of public education.

If your organization supports student learning at the school level, and would like to be included in the list below please contact partnerships@cbe.ab.ca to add your name. Thank you to all the organizations that support Calgary Board of Education students and staff in providing Calgary with a world-class public education system.
