## Louise Dean Centre Future Plans Discussion Question/Comment Wall | Feb. 20 - March 13, 2019

A question/comment wall was set up in the Louise Dean cafeteria to gather additional questions or comments.

Below you will find all comments as they were written. Opinions are the writers' own and content has not been vetted for accuracy. Comments have not been edited for spelling, grammar, sentence structure or otherwise. Comments have been edited to ensure anonymity. We also edited or omitted abusive, discriminatory and otherwise inappropriate comments.

- **Location**
  - No access to Highbanks
  - Location is not centre – too far
  - Too far from Children's Hospital & Foothills
  - Drive from Marlborough currently 17 min drive with traffic. The move will mean a 30 minute drive. Concern for new mothers who drive-further, more expensive (gas, maintenance)
  - Further distance on LRT, harder on babies particularly in the winter
  - It's a longer commute from NE – bus, 2 c-trains
  - The school should stay here until a better location comes up
- **Stigma**
  - How about how teen moms will feel about being around main stream high school students.
  - Too close to other high school
  - Student feel safe here – it's away from others
- **Facility / Infrastructure**
  - Daycares – accommodate more babies – need to be bigger
  - Stroller parking – needs to be more. I share a space now with another person
- **Additional comments**
  - Pushing stroller across Macleod Trail is not safe
