## CBE invites Calgarians to view preliminary plans for new schools

**CALGARY**— The Calgary Board of Education (CBE) is currently involved in 16 capital projects including new school builds, major modernizations and the construction of replacement schools.

The CBE will be holding an open house on June 18 to give parents and community stakeholders the opportunity to learn more about these projects, view preliminary siting and project development information and ask questions about the facilities.

“We are undertaking an unprecedented number of major school capital projects, ranging from modernizations to new schools” says Frank Coppinger, superintendent of facilities and environmental services.

“This is an opportunity for all Calgarians to drop-in, see the early plans for these schools and speak to planners, designers and CBE employees.”

### Open House Detail

**When:** Wednesday, June 18, 2014

**Time:** 6 – 8 p.m.

**Location:** Calgary Board of Education – Education Centre 1221 - 8 St. S.W.

Free parking is available on-site after 5 p.m.

The CBE is still in the early stages of the design and build process. Information on designations, enrolment, and programing will not be available at this meeting. This open house is an opportunity for the public to view preliminary designs and ask questions about the facilities.

More information about the school and project plans is available on the CBE website - <http://www.cbe.ab.ca/schools/underdev/default.asp>. Stakeholders may also ask questions and provide feedback through the website.

Further public engagements will be scheduled on each project as the work progresses and more information becomes available.

Superintendent Coppinger will be available this morning for interviews.

**Date:** Friday, June 13, 2014

**Time:** 10 a.m.

**Place:** Education Centre, 1221 – 8 St. S.W., Calgary, AB
