Schedule A: Expectations
TO THE EMPLOYER

By agreeing to accept the student into your workplace, you have become a valued "partner" in the educational program. This experience will assist the student in making the transition from formal education to the world of work. The employer must abide by the following:

1. Safety of the student is paramount. It is mandatory that the Occupational Health and Safety Act and the Workplace Hazardous Materials Information System guidelines are adhered to in your workplace. The employer is responsible for workplace safety.
2. When the student starts work, provide an orientation to your workplace. Explain the purpose of the job or department and how the student can make a contribution. Outline daily routines and expectations of all employees including such matters as dress code, safety procedures, hours of work, care of equipment, calling in if not coming to work, cleaning up work area and dealing with the public and any other work policies and procedures including drug and alcohol use.
3. Recognize that the student is a learner in this new environment and will need close supervision initially as well as an opportunity to feel comfortable in asking questions. The student will appreciate being given meaningful tasks that challenge his/her ability and having the range and level of difficulty increase, as he/she becomes familiar with the job. Communications between the student and work supervisor is vital so that the student can grow in the job.
4. In case of an accident or injury, give first aid or medical attention as required then contact the parent and report it to the CBE teacher-coordinator so the necessary report can be filled out. During the term of this Agreement, students are covered under Worker's Compensation by the Alberta Government so accidents are not filed against the employers' account.
5. For the term of this Agreement and the hours specified, all relevant employment laws are applicable. If you hire the student outside of the hours or days of the Agreement with CBE and the student, this Agreement shall not apply to such outside hours or days and the terms of employment for such outside hours or days are between you and the student (or his or her parent/guardian) without CBE involvement. In such event, Workers' Compensation coverage for such outside hours or days becomes the responsibility of the employer and payment of at least minimum wage is required.
6. Hours for senior high school off-campus education shall, at minimum, align with the *Employment Standards Regulation* (Part 5) with the additional expectations that: Employer's due diligence is exercised to ensure that the health and safety of students is the primary focus for all off-campus education learning opportunities; parameters regarding student off-campus education work schedules are outlined in a school authority's off-campus policy, and detailed in a student's formal work agreement; the following work hour recommendations are considered in planning a student's work schedule:
 - a standard work day of eight hours per day is recommended for a student who is not attending classes at the same time as participating in an off-campus learning experience (e.g., one full semester is spent in off-campus work);
 - a maximum of 12 hours combined per day is recommended for a student who is attending classes at the same time as participating in an off-campus learning experience (e.g., attend classes for six hours; off-campus learning experience for six hours);
 - a maximum of 40 hours of work per week is recommended for a student who is not attending classes at the same time as participating in an off-campus learning experience (e.g., one full semester is spent in off-campus work); and
 - a maximum of 60 hours combined per week is recommended for a student who is attending classes at the same time as participating in an off-campus learning

7. Time sheets are the only acceptable documentation of hours of work between the student and employer's work coordinator. The positive feedback on observed strengths and your suggestions for improvement tells the student how they are doing and allows them to set goals for the coming week. Once completed by employer and student, the records will be forwarded to the CBE for placement in the student file.
8. Putting learner expectations in writing helps to provide focus for the learning situation. During work site visits, the CBE coordinator should discuss these with the employer work supervisor and make necessary changes to assure challenging but attainable goals for the individual student. Off-campus coordinators shall make careful, **critical observations of the student's activities at the work station.** Upon completion of the learning plan, the record will be kept in the student file. All student records are to be kept confidential.
9. Subject to the Freedom of Information and Protection of Privacy Act (Alberta), ("FOIP"), the employer and its personnel shall securely collect, compile and use student personal information exclusively for the purpose of employment of the student (provided that any medical information of a student is to be used exclusively for the purpose of addressing health and medical needs of the student, including emergencies) and not disclose such personal information to any person except on a confidential basis to its personnel who have a "need to know" such information or as required by law or court order. The employer agrees to notify any employee or other person who may access the student's personal information of the provisions of the duties and obligations under FOIP and obligations to comply with these requirements and specifically the conditions related for the protection of personal privacy. The employer shall notify the CBE immediately when the employer becomes aware of a breach of such privacy requirements.
10. The employer has the right, upon written notice to CBE, to terminate the placement of a student for health, safety or legal concerns, including suspected drug or alcohol impairment of the student

TO THE STUDENT AND PARENT/GUARDIAN

There are two main reasons for students becoming involved in an Off-campus Education Program: to develop the skills, attitudes and expectations to succeed in the workplace and to explore career options and opportunities. This is a learning situation and the attitude of the student in approaching it will have a significant impact on the benefits gained from the experience. Your Off-campus teacher will provide you with a copy of the program expectations.

1. The student placement may be terminated for health and safety reasons, including concerns of drug or alcohol impairment.
2. If the student has any medical conditions that may affect the work, the student shall advise the CBE immediately.

If you have any concerns about the safety of this work station or the suitability of the learning situation, please contact the CBE Off-Campus Coordinator as soon as possible or call 403-817-7516.

Off-campus Education Acknowledgement of Risk

**Calgary Board
of Education**

Consent of Parent, Guardian or Independent Student and "Acknowledgement of Risk"

PLEASE READ CAREFULLY

I, _____, the parent or legal guardian of _____ (name of student) ("my child"), agree to the participation of my child **OR** I, _____ (name of student), an "Independent Student" under the *School Act* (Alberta), agree to my participation in the Exploring Wood Trades Program, including any practicum or workplace training that is part of the Program or ancillary to it organized by The Calgary Board of Education ("CBE") with SAIT (the "Program Provider").

In consideration of the CBE accepting my child as a participant in the Program or accepting me (as an Independent Student) as participant in the Program, I agree and acknowledge as follows:

1. The CBE reserves the right to cancel the Program in whole or part, including prior to the scheduled date of commencement, based upon the security, health and safety conditions in the location(s) of or in the vicinity of the location(s) of the Program.
2. A) I agree, for myself and on behalf of my child, to release the CBE, its Trustees, Superintendents, employees, volunteers, contractors and consultants and the Program Provider and its respective directors, governors, officers, employees and agents (collectively, the "Releasees") from any claims, losses, damages, liabilities and costs ("**Losses**") that I or my child, as the case may be, may incur arising from or in connection with the Program, except to the extent any such losses, damages, liabilities and costs arise directly from the negligence or wilful acts or omissions of any of the Releasees. I acknowledge that none of the Releasees shall be responsible for any consequential, incidental, special or punitive losses, damages or costs incurred by me or my child arising in respect of the Program.

B) Without limiting the generality of Section 2(A) above, I, for myself and on behalf of my child, or I, an Independent Student, release the Releasees from any delays, acts or omissions of any of the Releasees in respect of the Program arising from events beyond his, her, its or their reasonable control, which includes but is not limited to **ACTS OF GOD, WAR, STRIKES OR GOVERNMENT RESTRICTIONS, TERRORIST ACTIVITIES, STRIKES OR WORK STOPPAGES, OR THE ACTS OR OMISSIONS OF ANY OTHER ORGANIZATION OR INDIVIDUAL, OVER WHOM THE RELEASEES HAVE NO DIRECT CONTROL.**

C) I agree, for myself and on behalf of my child (or I, an Independent Student, agree) to pay or reimburse the Releasees for any claims, losses, damages and costs arising from any acts or omissions of my child (or of me, as an Independent Student) in connection with the Program resulting or arising from failure to comply with any directions or instructions given by any of the applicable Releasees.
3. I, on behalf of myself and my child (or I, as an Independent Student) release the Releasees and each of them from any losses, liabilities, damage and costs that I and/or my child may incur arising from and during the course of transportation to and from the location(s) of the Program, including in the course of embarking or disembarking from the mode of transportation. I confirm and acknowledge that any injury, damage or loss incurred during the course of transportation to and from the location(s) of the Program will not be compensated by the Releasees.
4. I freely and voluntarily acknowledge and assume on my behalf and on behalf of the Student (or, as an Independent Student, I assume) all of the risks and hazards, known and unknown, inherent in the nature of the Program and I understand and acknowledge that a Student may suffer personal and potentially serious injury, loss or illness due to unforeseeable or unexpected events.
5. I am satisfied that I have been provided with information about the Program, including the nature and extent of certain risks and hazards associated with the Program and that such information concerning risks and hazards is NOT exhaustive. I am not relying solely upon such information provided by the CBE and reserve the right to obtain additional information upon such basis as I determine.

6. I freely and voluntarily acknowledge and assume on my behalf and on behalf of my child (or I, as an Independent Student, acknowledge and assume) all of the risks and hazards, known and unknown, inherent in the nature of the Program and I understand and acknowledge that any participant in the Program may suffer personal and potentially injury, loss or illness due to an unforeseeable or unexpected event as a result of any such hazard, known and unknown. Without limiting the foregoing, I acknowledge that part of the Program may involve the placement of my child (or, as an independent student, my placement) by the Program Provider in "practicum" assignments that involve workplace interactions with members of the public (for example, if a practicum assignment is with a veterinarian health care facility, my child - or I, as an Independent Student - will interact with members of the public who own animals and with animals, will have limited exposure to the medical application of pharmaceuticals and drugs or may be required to obtain vaccinations/inoculations in order to participate in the practicum). I agree on behalf of my child (or I agree, as an Independent Student) to assume the foreseeable and unforeseeable risks arising from placement in a practicum assignment as part of the Program.
7. My child has been informed by me that he/she shall comply (or I, as an Independent Student, confirm that I shall comply) with the CBE's policies and regulations and any applicable CBE or school Code of Conduct, and with any rules of the Program Provider in respect of the Program made known to me and/or my child, as well as with the directions and instructions of the CBE's employees, consultants, volunteers or Program Provider personnel concerning the Program. Participation in the CBE and/or Program Provider preparatory sessions and meetings (if any) prior to the activities is mandatory. I acknowledge that failure to do so may result in the exclusion of my child (or of me as an Independent Student) from the Program by the CBE.
8. If my child (or I, as an Independent Student) becomes ill or incapacitated, I acknowledge and agree that the CBE, its employees, consultants and volunteers and also in the case of medical emergency, the Program Provider personnel, may take any actions they deem necessary, including securing professional medical treatment. I also acknowledge that the CBE and/or Program Provider personnel shall make reasonable efforts to contact the parent or guardian of a Student (who is not an Independent Student) in any medical emergency situation.
9. **I have completed the medical information form (attached).** I warrant that the medical information I have provided is complete and up to date. I consent to CBE sharing the medical information with the Program Provider and its applicable personnel. I have disclosed any known medical information concerning my child (or concerning me as an Independent Student) that may affect participation in the Program. I also acknowledge and agree that CBE or the Program Provider may refuse to accept my child for or may remove my child (or me as an Independent Student) from participation in the Program as a result of any medical condition as CBE or the Program Provider shall determine, at its sole discretion.
10. I understand that I am solely responsible for any illegal activities of my child (or, as an Independent Student, my illegal activities) during the Program (such as theft, vandalism or using or trafficking in any illegal substances or non-prescription drugs).
11. I confirm that this form shall be binding upon me as an Independent Student or upon me and the other parent or legal guardian of my child and upon my child and if the other parent or guardian of my child shall commence any action or claim against any of the CBE Group in respect of the matters herein notwithstanding the provisions hereof, I indemnify the CBE Group from any losses, damages, liabilities and costs incurred by the CBE Group or any of them in that regard.

By signing this form, I confirm that I have waived any requirement of teacher/staff supervision of self-medication by the student and of storing medication or supports during off-site activities, and confirm that I do not wish the CBE, its teachers/staff to provide the same. I further acknowledge that the Program Provider and its staff are not representatives or agents of the CBE and are not authorized by the CBE to store the student's medication or supports or to supervise the self- medication by the student on behalf of the CBE.

Subject to the foregoing, I agree that the medications (prescription/ non-prescription) listed on the first page of this form are the student's responsibility and will not be shared or given to others and the student is responsible for how the medication is stored and when it is taken. I, the parent, legal guardian or Independent Student, accept responsibility in all cases for any medication that is lost, stolen or damaged and confirm that the CBE has been informed about the nature of the medication(s), known side effects and consequences of missed doses or extra doses and any other pertinent medical information by me.

To the best of my knowledge, the medical information contained in this form is accurate and up to date and I shall inform CBE immediately of any changes to such information. I understand the risks involved in the taking of such medications by the student during or prior to the Program activities in which the student shall be a participant. I further hereby agree that If my child (or I, as an Independent Student) becomes ill or incapacitated, I acknowledge and agree that the CBE, its employees, consultants and volunteers, and also in the case of medical emergency, the Program Provider personnel, may take any action they deem necessary for the safety, health and well-being of my child (or me as an Independent Student), including securing professional medical treatment and I release CBE, its employees, consultants and volunteers and the Program Provider and its personnel from any Losses arising as a result thereof. I acknowledge that the CBE has recommended that I obtain medical insurance to cover such expenses.
