## Inform | Prairie Sky 'School within a School' Update

Re: Change to designated schools for kindergarten and Grade 6 students

Dear Parents/Guardians,

We recently sent a letter to you to provide an update on the delay in the school's construction. In that letter, we shared a plan to have students in a 'school within a school' model for a portion of the 2022-23 school year until the school's construction is complete.

The 'school within a school' model is used when a new school's opening is delayed, requiring it to open mid-way through the school year. The model is intended to make the transition to the new school easier by keeping students together with their teachers and peers.

Since the end of April, there has been a change in enrolment numbers for Prairie Sky School. Registrations for the school for the 2022-23 school year are higher than projected when we developed the 'school within a school' plan. While this is exciting because the Prairie Sky school community is growing, it presents challenges to the existing plan. To accommodate all students, we must add a fourth school to the 'school within a school' plan.

This solution will allow cohorts of students to remain together and for the youngest Prairie Sky students to attend school closest to home.

- Kindergarten students from the Skyview Ranch community will now be designated to Hugh A. Bennett School until construction is complete.
- Grade 6 students from the Skyview Ranch community will now be designated to Dr. Gordon Higgins School until construction is complete.

This change means:

- Kindergarten students will be attending a school closer to the community of Skyview Ranch, reducing travel time to the school for parents.
- Grade 6 students will stay with their classmates and other middle school students who will also be transitioning to Prairie Sky in 2022-23.

Students in Grades 1 to 5 will still attend Annie Foote School and Monterey Park School until the construction of Prairie Sky School is complete.

If you have registered a student affected by this move for transportation services for the 2022-23 school year, those services will be carried over to the new school. If you have not registered for transportation services yet and require yellow school bus transportation, **please register using MyCBE by June 8, 2022**, to be included in next year's bus routes planning.

A reminder that yellow school bus service for kindergarten students is one-way only. Kindergarten students going to Hugh A. Bennett will be provided with before-school transportation for morning kindergarten programs and after-school transportation for afternoon programs.

If you have questions, concerns or require additional information, please contact the Area 4 office at 403-777-6233 (extension 0) or [Area4@cbe.ab.ca](mailto:Area4@cbe.ab.ca).
