

# Open House Events for the New North Calgary High School

(name to be determined)

## Message to Feeder School Families

(Picture by Kyoko Taylor – Northern Lights Backdrop on the New School)

## Hello Future Students & Families,

We would like to invite current Grade 9 students and their parents/guardians to one of three Open House Events for the new north Calgary high school. This will be a fantastic opportunity to meet the principal, learn about the school, and about essential steps in preparing for Grade 10.

Opening the new high school is an important and long-awaited event for many communities in north Calgary. As the first cohort of students and families, your voices will help shape a positive and inclusive learning community we look forward to creating, and we are excited to begin this important work with you!

Although we cannot hold the Open Houses in the new school building, our junior and middle schools have graciously offered their spaces. The Open House Events will be held in the following locations:

Tuesday,	Jan. 24, 2023	7:00 pm	<b>Captain Nichola Goddard School</b>
Wednesday,	Jan. 25, 2023	7:00 pm	<b>Valley Creek School</b>
Thursday,	Jan. 26, 2023	7:00 pm	<b>Nose Creek School</b>

We recommend that students attend the Open House event at their current school. If you are not attending one of the schools listed, we welcome you to attend any of the events. We look forward to meeting you at one of the Open House Events.
