Proposed changes for Juno Beach Academy of Canadian Studies and location for September 2015.

## opportunity |

The Calgary Board of Education and the Area V Office invites all parents to drop in to our Open House to review proposed changes to the program at Juno Beach Academy of Canadian Studies. We would like your feedback on the implementation of program changes before a final decision is made. Additional information about this accommodation challenge is available at

Students will be asked to respond to a Survey Monkey questionnaire to provide their feedback on the program. Students will have access to the survey from October 27 – 31, 2014. The information received from students will be available for viewing at the Open House.
