

January 23, 2014

Dear Parents/Guardians,

It was the intention of the Calgary Board of Education Administration to bring a decision regarding the challenges facing West Springs, Wildwood and Olympic Heights Schools (and those schools that may be part of the solution) back to families this week. Over the past several weeks many unique circumstances have occurred within our school division related to student accommodation.

Administration will be meeting with the parent representative group Monday, January 27<sup>th</sup> to review the information we have received to date.

We are delaying any decisions with respect to overflow school designations pending outcome of debate with respect to the lottery process, at the February 4, 2014, regular meeting of the Board of Trustees.

Sincerely,

Calvin Davies  
Director,
