**CALGARY BOARD OF EDUCATION
STATEMENT OF ADMINISTRATION RESPONSIBILITY
FOR THE YEAR ENDED AUGUST 31, 2019, WITH COMPARATIVE INFORMATION FOR 2018**

Statement of administration responsibility

The Board of Trustees is responsible for ensuring that Administration fulfills its responsibility for financial reporting and control through its own ongoing monitoring and evaluation of its governance policies. The Board of Trustees carries out its responsibility for review of the consolidated financial statements principally through its Audit Committee. The Audit Committee, which consists of two Trustees and not fewer than three public members, meets with Administration and the External Auditors to discuss the results of the audit examination and financial reporting matters. The Audit Committee also reviews the consolidated financial statements, the Auditors' Report and other information, and recommends their approval to the Board of Trustees. The External Auditors have full access to the Audit Committee, with and without the presence of Administration.

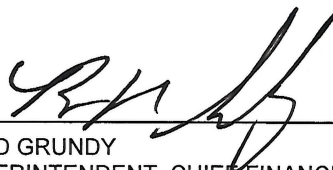

In the context of the responsibilities of the Board, the Calgary Board of Education's Administration is responsible for the preparation, presentation and integrity of the consolidated financial statements and has prepared them in accordance with Canadian Public Sector Accounting Standards. The consolidated financial statements present fairly the financial position of the Calgary Board of Education as at August 31, 2019 and the results of its operations and cash flows for the year then ended.

In fulfilling its responsibilities and recognizing the limits inherent in all systems, Administration has developed Administrative Regulations and maintains a system of internal controls, procedures and guidelines, supplemented by ongoing monitoring and evaluation of results, to provide reasonable assurance that assets are safeguarded and that transactions are properly executed in accordance with the governance policies established by the Board of Trustees.

KPMG LLP, the External Auditors appointed by the Board of Trustees, has performed an audit of the consolidated financial statements in this report. Their independent professional opinion on these consolidated financial statements is included in the Independent Auditors' Report.

INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of the Calgary Board of Education

Opinion

We have audited the consolidated financial statements of the Calgary Board of Education (the Entity), which comprise:

- the consolidated statements of financial position as at August 31, 2019 and 2018
- the consolidated statements of operations for the years then ended
- the consolidated statements of cash flows for the years then ended
- the consolidated statements of accumulated remeasurement gains and losses for the years then ended
- the consolidated statements of changes in net debt for the years then ended
- and notes to the consolidated financial statements, including a summary of significant accounting policies and complete Schedules 1,2,3,5, and 6, Schedule 4 excluding the row under "Square Metres", and Schedule 7 excluding the column "FTE"

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the consolidated financial position of the Entity as at August 31, 2019 and 2018, and its consolidated results of operations, its consolidated remeasurement gains and losses, its consolidated changes in net debt and its consolidated cash flows for the years then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the “***Auditors’ Responsibilities for the Audit of the Financial Statements***” section of our auditors’ report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. Other information comprises:

- the information, other than the financial statements and the auditors’ report thereon, included in the Management’s Discussion & Analysis document.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit and remain alert for indications that the other information appears to be materially misstated.

We obtained the information, other than the financial statements and the auditors’ report thereon, included in Management’s Discussion & Analysis document as at the date of this auditors’ report.

If, based on the work we have performed on this other information, we conclude that there is a material misstatement of this other information, we are required to report that fact in the auditors’ report.

We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group Entity to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

INDEPENDENT PRACTITIONER'S REASONABLE ASSURANCE REPORT

To the Board of Trustees of the Calgary Board of Education

We have undertaken a reasonable assurance engagement of the accompanying FTE and Metres Square as reported in the specific rows "Square Metres – School buildings" in Schedule 4 and column "FTE" in Schedule 7 (the "subject matter information") both prescribed by Alberta Education of the Calgary Board of Education (the "Entity") for the years ended August 31, 2019 and 2018.

Management's Responsibility

Management is responsible for the preparation and presentation of the subject matter information in accordance with the criteria established by Alberta Education in the AFS Guidelines (the "applicable criteria").

Management is also responsible for such internal control as management determines necessary to enable the preparation of the subject matter information that is free from material misstatement, whether due to fraud or error.

Practitioner's Responsibilities

Our responsibility is to express a reasonable assurance opinion on the subject matter information based on the evidence we have obtained. We conducted our reasonable assurance engagement in accordance with Canadian Standards on Assurance Engagements (CSAE) 3000, *Attestation Engagements Other than Audits or Reviews of Historical Financial Information*. This standard requires that we plan and perform this engagement to obtain reasonable assurance about whether the subject matter information is free from material misstatement.

Reasonable assurance is a high level of assurance, but is not a guarantee that an engagement conducted in accordance with this standard will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users of our report.

The nature, timing and extent of procedures performed depends on our professional judgment, including an assessment of the risks of material misstatement, whether due to fraud or error, and involves obtaining evidence about the subject matter information.

We believe the evidence we obtained is sufficient and appropriate to provide a basis for our opinion.

Practitioner's Independence and Quality Control

We have complied with the relevant rules of professional conduct/code of ethics applicable to the practice of public accounting and related to assurance engagements, issued by various professional accounting bodies, which are founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour.

The firm applies Canadian Standard on Quality Control 1, *Quality Control for Firms that Perform Audits and Reviews of Financial Statements, and Other Assurance Engagements* and, accordingly, maintains a comprehensive system of quality control, including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Opinion

In our opinion, the subject matter information of the Entity for the years ended August 31, 2019 and 2018 is prepared, in all material respects, in accordance with the applicable criteria.

Specific Purpose of Subject Matter Information

The subject matter information has been prepared in accordance with the applicable criteria. As a result, the subject matter information may not be suitable for another purpose.

(2) Kelly Ann Fenney's duties are split between Director of Legal Services and Corporate Secretary.

CALGARY BOARD OF EDUCATION

SCHEDULE 7 – REMUNERATION

FOR THE YEAR ENDED AUGUST 31, 2019

Notes for Trustees

¹ **Remuneration** includes honorarium payment and accruals. Trustee remuneration is established annually through Governance Policy GC-2E Trustee Remuneration. Remuneration reported is on an accrual basis and differs from cash paid in the year. Amounts reported include provisions for the retirement allowance accrual, as applicable.

² **Benefits** include the employer's share of all employee benefits and contributions or payments made on behalf of trustees including: Canada Pension Plan, life insurance, and accidental death and dismemberment coverage. In lieu of other benefits, each Trustee receives the remainder of the package (valued at 10% of basic honorarium) in regular payments.

³ **Negotiated allowances** are a transportation allowance of \$4,100 annually.

⁶ **Expenses** will include the reimbursement of travel, subsistence, conferences fees and other costs, to the Trustee or on his/her behalf that are related to professional development. Expenses are not included on the Schedule of Program Operations as salaries or benefits.

Notes for Employees

¹ **Remuneration** includes regular base salaries, administrative allowances, overtime, lump-sum payments, honoraria, deferred salary leave, accruals, and any other direct cash remuneration. This includes negotiated allowance, performance bonuses, ERIP's/Other as described below. Remuneration reported is on an accrual basis and other differs from cash paid in the year.

² **Benefits** include the employer's share of all employee benefits and contributions or payments made on behalf of employees including retirement, pensions, senior management registered pension plans, Canada Pension Plan, employment insurance, health care, dental coverage, vision coverage, out of country medical benefits, group life insurance, accidental disability and dismemberment insurance, and long and short term disability plans. Government Alberta Teachers Retirement Fund ("ATRF") contributions of individual jurisdictions are included in the audit confirmations that is accessible on Extranet. Individual employee contributions, such as to the Superintendent, can be estimated by using the following formula:

$E = D * ER \text{ rate (subject to ATRF Maximum contributions) where}$
D=Salary updated to plan members files
ER rate (2018) – 11.95%

The ATRF Board has decided to reduce teacher and employer/government contribution rates for the Teachers' Pension Plan (TPP) and the Private School Teachers' Pension Plan (PSTPP). Beginning September 1, 2018, the effective rate will be decreased to 11.29%. <https://atrf.com/corporate/news/atrf-board-reduces-contribution-rates>

Benefits for certificated superintendent include Alberta Education contributions to the ATRF as well as any supplemental pension plan contributions, if applicable. Benefits for non-certificated superintendents and including the Secretary and Treasurer include the Local Authorities Pension Plan contributions as well as any supplementary pension plan contributions, if applicable.

³ **Negotiated allowances** include monies paid to an employee including car or travel allowance, isolation allowance, relocation expenses, sabbaticals, special leave with pay, financial and retirement planning services, and club memberships. Excluded from this category is certificated school-based employee allowances outlined in collective agreements (these are included in remuneration).

⁴ **Performance bonuses** include those monies paid to employees that are tied to the achievement of some specified goals or objectives.

⁵ **Early Retirement Incentive Plans (ERIPs)/Other** includes termination benefits such as severance pay, retiring allowances (ERIP's), and other settlement costs due to loss of employment. These are disclosed on a cash basis.

⁶ **Expenses** will include the reimbursement of travel, subsistence, moving costs, conference fees, etc., to the employee or on his/her behalf in performing the responsibilities of employment. Expenses are not included on the Schedule of Program Operations as salaries or benefits.

⁷ **Other Accrued Unpaid Benefits** includes untaken vacation pay and supplemental pension expenses accrued up to August 31, 2019.

CALGARY BOARD OF EDUCATION

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

(in thousands)

1. NATURE OF OPERATIONS

The Calgary Board of Education (the "Corporation"), is an independent legal entity with an elected Board of Trustees as stipulated in the *School Act*, Revised Statutes of Alberta 2000, Chapter S-3, and operates as "Calgary School District No. 19". The Corporation is registered as a charitable organization under the *Income Tax Act* (Canada) and, therefore, is exempt from income tax and may issue official receipts to donors for income tax purposes.

The Corporation is economically dependent upon the Government of the Province of Alberta, since the viability of its on-going operations depends on grants and contributions from Alberta Education and other provincial ministries.

School jurisdictions have been deemed to be controlled by the Government of Alberta according to criteria set out in the CPA Canada Public Sector Accounting Handbook Section 1300, Government Reporting Entity. All entities consolidated or accounted for on a modified equity basis in the accounts of the Government of Alberta are now considered related parties of school jurisdictions for financial reporting purposes. These include government departments, health authorities, post-secondary institutions and all school jurisdictions in Alberta.

The Corporation provides a full range of educational services for all instructional programs ranging from Kindergarten through Grade 12 to the Province of Alberta, and is principally funded by the Province of Alberta through the Alberta Ministry of Education.

2. SIGNIFICANT ACCOUNTING POLICIES

These consolidated financial statements were prepared by management in accordance with the Canadian Public Sector Accounting Standards ("PSAS") without reference to Sections PS 4200 to PS 4270. The precise determination of many assets and liabilities is dependent on future events. As a result, the preparation of consolidated financial statements for a period involves the use of estimates and approximations, which have been made using judgment. Actual results could differ from those estimates and approximations. The consolidated financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the accounting policies summarized below:

(a) Basis of consolidation

The consolidated financial statements reflect the assets, liabilities, revenues, and expenses of the Corporation, which is composed of all organizations, which are controlled by the Corporation. These organizations include:

- EducationMatters (the "Foundation") was established in 2003 by the Corporation under a trust indenture. The Corporation's Board of Trustees appoints the Governors of the Foundation. The Foundation is a registered charity and promotes activities that support public education for the benefit of Calgary's students. The Foundation is controlled by the Corporation; therefore its assets, liabilities, revenues and expenses have been consolidated with the Corporation's financial statements.
- School generated funds, which include the assets, liabilities, revenues and expenses at the school level, which are controlled by the Corporation, are reflected in the consolidated financial statements.

The accounts of government sector entities, except those designated as government business enterprises, are consolidated using the line-by-line method. Under this method, accounting policies of the consolidated entities are adjusted to conform to the Corporation's accounting policies and the results of each line item in their financial statements (revenue, expense, assets, and liabilities) are included in the Corporation's results. Inter-departmental and inter-organizational transactions and balances between these organizations are eliminated upon consolidation.

(b) Basis of Financial Reporting

Valuation of Financial Assets and Liabilities

The Corporation's financial assets and liabilities are generally measured as follows:

CALGARY BOARD OF EDUCATION
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
(in thousands)

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

<u>Financial Statement Component</u>	<u>Measurement</u>
Cash and cash equivalents	Amortized cost
Accounts receivable	Lower of cost or net recoverable value
Inventories for resale	Lower of cost or net realizable value
Portfolio investments	Fair value and amortized cost
Accounts payable and accrued liabilities	Amortized cost
Debt	Amortized cost

Financial Assets

Financial assets are assets that could be used to discharge existing liabilities or finance future operations and are not for consumption in the normal course of operations. Financial assets are the Corporation's financial claims on external organizations and individuals, and inventories for resale at the year end.

Cash and cash equivalents

Cash comprises of cash on hand and demand deposits. Cash equivalents are short-term, highly liquid, investments that are readily convertible to known amounts of cash and that are subject to an insignificant risk of change in value. Cash equivalents have a maturity of three months or less at acquisition and are held for the purpose of meeting short-term commitments rather than for investment purposes.

Accounts receivable

Accounts receivable are recognized at the lower of cost or net recoverable value. A valuation allowance is recognized when recovery is uncertain

Portfolio investments

The Corporation has investments in GIC's, term deposits, bonds, equity instruments and mutual funds that have no maturity dates or a maturity of greater than three months. GIC's, term deposits and investments not quoted in an active market are reported at cost or amortized cost. A write-down of a portfolio investment to reflect a loss in value is not reversed for a subsequent increase in value. Discounts and premiums arising on the purchase of fixed income securities are amortized over the term of the investments

Derivatives and portfolio investments in equity instruments that are quoted in an active market are recorded at fair value and the associated transaction costs are expensed upon initial recognition. The change in the fair value is recognized in the Statement of Remeasurement Gains and Losses as a remeasurement gain or loss until the portfolio investments are derecognized. Upon derecognition, the accumulated remeasurement gains or losses associated with the derecognized portfolio investments are reversed and reclassified to the Statement of Operations.

Impairment is defined as a loss in value of a portfolio investment that is other than a temporary decline and is included in the Statement of Operations. In the case of an item in the fair value category, a reversal of any net remeasurement gains recognized in previous reporting periods up to the amount of the write-down is reported in the Statement of Remeasurement Gains and Losses. A subsequent increase in value would be recognized on the Statement of Remeasurement Gains and Losses and realized on the Statement of Operations only when sold.

Scholarship Endowment Funds are included in Financial Assets in the Consolidated Statement of Financial Position. Contributions and income pertaining to scholarship endowment funds are recognized on the Statement of Operations and must be held in perpetuity in accordance with the agreement with the donor. The residual may be disbursed for the purposes of the scholarship. Undisbursed funds earned on endowment principal are recognized as deferred revenue or as revenue in the year to the extent that stipulations have been met. Donors have placed restrictions on their contributions to endowments, for example capital preservation. The principal restriction is that the original contribution should be maintained intact in perpetuity. Other restrictions may include spending investment income earned by endowments for specific operational or capital purposes, or capitalizing a certain amount of investment income to maintain and grow the real value of endowments.

CALGARY BOARD OF EDUCATION
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
(in thousands)

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Detailed information regarding portfolio investments is disclosed in Schedule 5: Schedule of Cash and Portfolio Investments.

Other financial assets

Other financial assets are valued at the lower of cost or expected net realizable value.

Liabilities

Liabilities are present obligations of the Corporation to external organizations and individuals arising from past transactions or events occurring before the year end, the settlement of which is expected to result in the future sacrifice of economic benefits. They are recognized when there is an appropriate basis of measurement and management can reasonably estimate the amounts.

Accounts payable and accrued liabilities

Accounts payable and accrued liabilities include unearned revenue collected from external organizations and individuals for which goods and services have yet to be provided.

Deferred revenue

Deferred revenue includes contributions received for operations which have stipulations that meet the definition of a liability per *PS3200*. These contributions are recognized by the Corporation once it has met all eligibility criteria to receive the contributions. When stipulations are met, deferred revenue is recognized as revenue in the fiscal year in a manner consistent with the circumstances and evidence used to support the initial recognition of the contributions received as a liability.

Deferred revenue also includes contributions for capital expenditures, unexpended and expended:

- Unexpended Deferred Capital Revenue (“UDCR”)
Unexpended Deferred Capital Revenue represent externally restricted supported capital funds provided for a specific capital purpose received or receivable by the jurisdiction, but the related expenditure has not been made at year-end. These contributions must also have stipulations that meet the definition of a liability per *PS 3200* when expended. The majority of these funds are from the Province of Alberta.
- Expended Deferred Capital Revenue (“EDCR”)
Expended Deferred Capital Revenue represent externally restricted supported capital funds that have been expended but have yet to be amortized over the useful life of the related capital asset. Amortization over the useful life of the related capital asset is due to certain stipulations related to the contributions that require that the school jurisdiction to use the asset in a prescribed manner over the life of the associated asset.

Pensions and employee future benefits

Alberta Teachers’ Retirement Fund (“ATRF”)

The Corporation’s certificated employees are required to contribute to the Alberta Teachers’ Retirement Fund (ATRF), a multi-employer defined benefits pension plan. ATRF contributions by the Province for current service are reflected as a cost to operate the education system in Alberta and the Corporation’s proportionate share are formally recognized in the accounts of the Corporation, even though the Corporation has no legal obligation to pay these costs. The amount of current service contributions are recognized as “Revenue from the Government of Alberta” and as “Certified benefits” expense.

Local Authorities Pension Plan (“LAPP”)

The Corporation and its non-certificated employees participate in LAPP, a multi-employer pension plan. The Corporation accounts for this plan on a defined contribution basis in accordance with PSA 3250.110 and does not record a share of the unfunded liabilities. Pension costs of LAPP included in these consolidated financial statements comprise the cost of employer contributions for current service of participating employees during the year.

CALGARY BOARD OF EDUCATION
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
(in thousands)

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Supplemental Integrated Pension Plan (“SiPP”) and Supplementary Executive Retirement Program (“SERP”)

The Corporation established supplementary pension plans for certain members of senior administration. The plan provides a supplement to the LAPP or ATRF (as appropriate) and is comprised of both a registered and non-registered portion.

The registered SiPP is a multi-employer plan. The Corporation accounts for this plan on a defined contribution basis in accordance with PSA 3250.110 and does not record a share of the unfunded liabilities.

The non-registered SiPP OverCap plan, or SERP, is administered by the Corporation and is an OverCap plan to the SiPP. LAPP/ATRF and SiPP together can provide the maximum benefit of 2% of final average earnings to the maximum, which changes every year as set by the CRA. SERP tops up the pension benefit to 2% on any earnings over this maximum. The cost of SERP is sponsored by the Corporation and is actuarially determined using the projected benefit method pro-rated on service and management’s best estimate of expected salary and benefit escalation, retirement ages of employees and plan investment performance. Actuarial valuations of this plan occur annually as at August 31st.

Supplementary Retirement Plan (“SRP”)

The Corporation provides a non-registered SRP for certain senior employees of the Corporation, based on approved terms and conditions of the plan. The plan provides for annual contributions of 10 per cent of the employee’s salary which is above the LAPP or ATRF pensionable earnings cap.

Enrollment in SiPP, SERP and SRP

The following table reflects the number of employees enrolled in each of the SiPP, SERP and SRP plans as at August 31:

	<u>2019</u>	<u>2018</u>
Supplemental Integrated Pension Plan (SiPP)	7	7
Supplementary Executive Retirement Program (SERP)	7	7
Supplementary Retirement Plan (SRP)	<u>29</u>	<u>29</u>
Total	<u>43</u>	<u>43</u>

Post-Retirement and Post-Employment Benefits Plans (“PRB” and “PEB”)

The Corporation has a number of other defined benefit plans providing post-employment and post-retirement benefits for supplementary health care, dental care, life insurance and retiring allowances (collectively “Post-Retirement and Post-Employment Benefits Plans”). These plans are not funded by separately designated plan assets. For those plans, the future benefits cost is actuarially determined using the projected unit credit method pro-rata on service and using management’s best estimate of expected salary escalation, termination and retirement rates and mortality. The discount rate used to measure obligations is based on the internal cost of borrowing.

The cumulative unrecognized actuarial gains and losses are amortized over the expected average remaining service lifetime (“EARSL”) of active employees covered under the plan. The EARSL for employees of the Corporation is 12 years. The most recent valuation of the obligation was performed at August 31, 2019. For the purposes of determining the financial position of the plans and the employee future benefit costs, a measurement date of August 31st was adopted.

Asset retirement obligations

The Corporation recognizes the fair value of an asset retirement obligations (“ARO”) in the period in which it incurs a legal obligation associated with the retirement of certain buildings and related assets. Certain building assets may contain asbestos or other contamination. Although any contamination is appropriately contained in accordance with environmental regulations, it is the Corporation’s practice to, if necessary, remediate any contamination upon disposal of a tangible capital building asset. The Corporation recognizes an ARO only when the related assets have been approved by the Board of Trustees for disposition and when the fair value of the liability can be reasonably determined.

CALGARY BOARD OF EDUCATION
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
(in thousands)

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

The estimated fair value of the ARO is capitalized as part of the related long-lived asset and accreted on the same basis as the underlying asset. The ARO provision is adjusted for the passage of time, which is recognized as accretion expense, and for revisions to the timing or the amount of the estimated liability. Actual costs incurred are charged against the asset retirement obligation to the extent of the liability recorded. Differences between the actual costs incurred and the liability are recognized in the Statement of Operations when remediation is completed.

Debt

Notes, debentures, and mortgages are recognized at their face amount less unamortized discount, which includes issue expenses.

Non-Financial Assets

Non-financial assets are acquired, constructed, or developed assets that do not normally provide resources to discharge existing liabilities, but instead:

- (a) are normally employed to deliver government services;
- (b) may be consumed in the normal course of operations; and
- (c) are not for sale in the normal course of operations.

Tangible capital assets

Tangible capital assets acquired or constructed are recorded at cost which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the asset. Cost also includes overhead directly attributable to construction as well as interest costs that are directly attributable to the acquisition or construction of the asset.

Donated tangible capital assets are recorded at their fair market value at the date of donation, except in circumstances where fair value cannot be reasonably determined, when they are then recognized at nominal value. Transfers of tangible capital assets from related parties are recorded at original cost less accumulated amortization.

Construction in progress is a tangible capital asset that is recorded as an acquisition to the applicable asset class at substantial completion.

Sites and buildings are written down to residual value when conditions indicate they no longer contribute to the ability of the Corporation to provide services or when the value of future economic benefits associated with the sites and buildings are less than their net book value. For supported assets, the write-downs are accounted for as reductions to Expended Deferred Capital Revenue.

Buildings that are demolished or destroyed are written-off.

Capital assets which are paid for directly by the Province of Alberta on behalf of the Corporation are recorded by the Corporation at fair market value when title has transferred. A corresponding deferred capital grant is recorded and reflected in revenue over the life of the asset. Maintenance expenses paid directly by the Province of Alberta on behalf of the Corporation related to these assets are expensed and the corresponding grant is recognized as revenue.

The cost, less residual value, of the tangible capital assets, excluding land, is amortized on a straight-line basis over the estimated useful life of the asset in the year following substantial completion. Estimated useful life is as follows:

Buildings	25 - 50 years
Furniture and equipment	5 - 15 years
Computer software and hardware	3 - 5 years
Vehicles	5 - 10 years

CALGARY BOARD OF EDUCATION

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Assets

The standard (PS 3210) provides guidance for applying the definition of assets set out in PS 1000 Financial Statement concepts, and establishes general disclosure standards for assets. Under this standard, for unrecognized assets, disclosing major categories may provide additional resources available to the school jurisdiction. Additionally, information about the major categories of assets that are not recognized is disclosed in the notes to the consolidated financial statements. When an asset is not recognized because a reasonable estimate of the amount involved cannot be made, the reasons for this are disclosed.

Capital leases

Leases that, from the point of view of the lessee, transfer substantially all the benefits and risks incidental to ownership of the property to the Corporation are considered capital leases. These are accounted for as an asset and an obligation. Capital lease obligations are recorded at the present value of the minimum lease payments excluding executor costs (e.g., insurance, maintenance costs, etc.). The discount rate used to determine the present value of the lease payments is the lower of the Corporation's incremental borrowing rate or the interest rate implicit in the lease.

Prepaid expenses

Prepaid expenses is recognized at cost and amortized based on the terms of the agreement or using a methodology that reflects use of the resource.

Operating and capital reserves

Certain amounts are internally or externally restricted for future operating or capital purposes. Transfers to and from reserves are recorded when approved by the Board of Trustees. Capital reserves are restricted to capital purposes and may only be used for operating purposes with approval by the Minister of Education. Reserves are disclosed in the Schedule of Changes in Accumulated Surplus.

Trust funds under administration

Trust funds and their related operations administered by the Corporation are not included in the consolidated financial statements as they are not controlled by the Corporation. Disclosure for trust funds under administration are detailed in Note 16.

Revenue recognition

Revenues are recorded on an accrual basis. Instruction and support allocations are recognized in the year to which they relate. Fees for services related to courses and programs are recognized as revenue when such courses and programs are delivered.

Volunteers contribute a considerable number of hours each year to schools; such as volunteering in the classroom, supporting the milk programs and the raising of school generated funds. These contributed services are not recognized in the consolidated financial statements.

Eligibility criteria are criteria that the Corporation has to meet in order to receive certain contributions. Stipulations describe what the Corporation must perform in order to keep the contributions. Contributions without eligibility criteria or stipulations are recognized as revenue when the contributions are authorized by the transferring government or entity. Contributions with eligibility criteria but without stipulations are recognized as revenue when the contributions are authorized by the transferring government or entity and all eligibility criteria have been met.

Donations of materials and services are recognized as revenue when a fair value can be reasonably estimated and when the materials and services are used in the normal course of the Corporation's operations and would otherwise have been purchased.

CALGARY BOARD OF EDUCATION
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
(in thousands)

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributions with stipulations are recognized as revenue in the period the stipulations are met, except when and to the extent that the contributions give rise to an obligation that meets the definition of a liability in accordance with *PS 3200*. Such liabilities are recorded as deferred revenue. The following items fall under this category:

- Non-capital contributions for specific purposes are recorded as deferred revenue and recognized as revenue in the year the stipulated related expenses are incurred;
- Unexpended deferred capital revenue; or
- Expended deferred capital revenue.

Expenses

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed.

Allocation of costs:

- Actual salaries of personnel assigned to two or more programs are allocated based on the time spent in each program.
- Employee benefits and allowances are allocated to the same programs, and in the same proportions, as the individual's salary.
- Supplies and services are allocated based on actual program identification.

Program reporting

The Corporation's operations have been segmented as follows:

- **Instruction: grades 1 – 12.** The provision of grades 1-12 instructional services that fall under the basic public education mandate.
- **Instruction: early childhood services.** The delivery of basic public education to ECS (early childhood services) students.
- **Plant operations and maintenance.** The operation and maintenance of all school buildings and maintenance shop facilities.
- **Transportation.** The provision of regular and special education bus services (to/from school), whether contracted or board operated, including transportation facilities.
- **Board and system administration.** The provision of board governance and system-focused office administration.
- **External services.** All projects, activities, and services offered outside the public education mandate for ECS children and students in Grades 1-12. Services offered beyond the mandate for public education are to be self-supporting, and Alberta Education funding may not be utilized to support these programs.

The allocation of revenues and expenses are reported by program, source, object and type on Schedule 3 Program of Operations.

Financial instruments

The Corporation classifies its financial instruments at either the fair value cost or amortized cost. The accounting policy for each category is as follows:

Fair Value

This category includes derivatives and portfolio investments in equity instruments quoted in an active market. The Corporation has designated its bond portfolio that otherwise would be classified into the amortized cost category at fair value as the Corporation manages and reports performance of it on a fair value basis. These are initially recognized at cost and subsequently carried at fair value. Unrealized changes in fair value are recognized into the Statement of Remeasurement Gains and Losses until they are realized and de-recognized, when they are transferred to the statement of operations, upon disposal.

Transaction costs related to financial instruments in the fair value category are expensed as incurred.

CALGARY BOARD OF EDUCATION
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
(in thousands)

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Where the decline in fair value is determined to be other than temporary, the amount of the loss is removed from accumulated remeasurement gains and losses and recognized in the Statement of Operations. Upon disposal, the amount held in accumulated remeasurement gains and losses associated with that instrument is removed from accumulated surplus and recognized in the Statement of Operations.

Cost / Amortized Cost

This category consists of cash and cash equivalents, accounts receivable, guaranteed investment certificates (GICs), accounts payable and accrued liabilities, debt. They are initially recorded at cost and subsequently measured at amortized cost using the effective interest rate method, less any impairment losses on financial assets.

Transaction costs related to financial instruments in the amortized cost category are added to the carrying value of the instrument.

Write-downs on financial assets in the amortized cost category are recognized when the amount of a loss is known with sufficient precision, and there is no realistic prospect of recovery. Financial assets are written down to the net recoverable value with the write-downs being recognized in the Statement of Operations.

Unless otherwise noted, it is management's opinion that the Corporation is not exposed to significant credit, liquidity, and market risk, which includes currency, interest rate and other price risks.

Measurement uncertainty

Measurement uncertainty exists when there is a variance between the recognized or disclosed amount and another reasonably possible amount. The precise determination of many assets and liabilities is dependent on future events. As a result, the preparation of consolidated financial statements for a period involves the use of estimates and approximations, which have been made using professional judgment. Actual results could differ from those estimates. Significant areas requiring the use of management estimates relate to the potential impairment of assets, rates for amortization, estimated employee future benefits and rates used in the determination of asset retirement obligations.

Budgetary information

Unaudited budget information is presented on the Statement of Operations and Statement of Changes in Net Debt and on the related schedules and represents the budget approved by the Board of Trustees and submitted to Alberta Education in June 2018. The budget was amended in November 2018 and accepted by the Board of Trustees.

Contingent assets

By definition, a contingent asset is a possible asset arising from existing conditions or situations involving uncertainty. That uncertainty will ultimately be resolved when one or more future events not wholly within the public sector entity's control occurs or fails to occur. Resolution of the uncertainty will confirm the existence or non-existence of an asset.

Contractual rights

By definition, a contractual right arises out of a contract or agreement that is binding between two or more parties, has clear economic consequences and is enforceable by law (see note 15).

Related party transactions

By definition, a related party transaction is a transfer of economic resources or obligations between related parties, or the provision of services by one party to a related party (see note 12).

Inter-entity transactions

By definition, inter-entity transactions are those transactions occurring between commonly controlled entities. Commonly controlled entities are all public sector entities that comprise a government's reporting entity (Note 12).

CALGARY BOARD OF EDUCATION
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
(in thousands)

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Restructuring transactions

By definition, (i) a restructuring transaction is a transfer of an integrated set of assets and/or liabilities, together with related program or operating responsibilities without consideration based primarily on the fair value of the individual assets and individual liabilities transferred; (ii) the net effect of a restructuring transaction should be recognized as revenue or as an expense by entities involved; (iii) a recipient should recognize individual assets and liabilities received in a restructuring transaction at their carrying value amount with applicable adjustments at the restructuring date; (iv) a transferor and a recipient should not restate their financial position or results of operations; and (v) a transferor and a recipient should disclose sufficient information to enable users to assess the nature and financial effects of a restructuring transaction on their financial position and operations. The Corporation adopted this accounting standard prospectively as of September 1, 2017. The adoption of this standard did not have a significant effect on the consolidated financial statements of the Corporation.

Asset retirement obligations

In August 2018, the Public Sector Accounting Board issued this accounting standard that addresses the reporting of legal obligations associated with the retirement of tangible capital assets. This new standard takes effect for annual reporting periods beginning on or after April 1, 2021, with earlier adoption permitted. Alberta Education has indicated that school jurisdictions, including the Corporation, will adopt this new standard as of September 1, 2021.

Management is currently evaluating the impact of this standard on the consolidated financial statements of the Corporation.

3. CASH AND CASH EQUIVALENTS

	2019		2018	
	Effective Market Yield	Amortized cost	Effective Market Yield	Amortized cost
Bank balances ⁽¹⁾	2.24	\$ 136,564	1.75	\$ 142,110
Outstanding cheques		(904)		(1,239)
Cash equivalents (GIC)	1.30	862	1.30	876
Total cash and equivalents		\$ 136,522		\$ 141,747

⁽¹⁾ Includes cash balances restricted for EducationMatters in the amount of \$167 (2018-\$122).

General operating and other bank indebtedness

The Corporation maintains a line of credit to a maximum of \$44,600 (2018 - \$25,000) with a 3.95% (2018 – 3.70%) borrowing rate per annum that has been negotiated with its banker for general operating purposes. The line of credit is secured against the Corporation's accounts receivable. At August 31, 2019, no amount has been drawn against the Corporation's general operating line of credit (2018 - \$nil).

Supplementary cash flow information

For the year ended August 31, 2019, cash interest paid on school building debenture debt and other debt amounted to \$52 (2018 - \$128) and cash interest earned (both operating and capital) and dividends received on investments totalled \$2,550 (2018 - \$2,269).

Supplementary retirement plan	170	255
Post retirement and post-employment benefit plans	24,373	24,747
	<u>\$ 24,833</u>	<u>\$ 25,732</u>

(b) Supplemental Integrated Pension Plan (SiPP) and Supplemental Executive Retirement Program (SERP)

The Corporation's net pension expense for the registered portion of SiPP for the year was \$44 (2018 - \$48).

The net pension expense for SERP was \$154 (2018 - \$110). The total liability for the SERP at August 31, 2019 was \$290 (2018 - \$730).

(c) Supplementary Retirement Plan (SRP)

The total liability for the SRP at August 31, 2019 was \$170 (2018 - \$255).

(d) Post-Retirement and Post-Employment Benefits Plans (PRB/PEB)

Changes in PRB/PEB

The following table provides the plans' change in Post Retirement and Post-Employment Benefits Plans ("PRB/PEB") for the years ended August 31, 2019 and 2018:

To date, \$24,373 (2018 - \$24,747) has been accrued in the Corporation's consolidated financial statements as a liability for PRB/PEB.

	<u>2019</u>	<u>2018</u>
Liability for PRB/PEB, beginning of year	\$ 24,747	\$ 24,577
Current service cost	1,130	1,218
Interest cost	1,542	1,484
Benefits payments	(4,154)	(3,577)
Amortization of net actuarial losses	1,108	1,045
Liability for PRB/PEB, end of year	<u>\$ 24,373</u>	<u>\$ 24,747</u>

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
(in thousands)

7. EMPLOYEE FUTURE BENEFITS (continued)

Plan Funded Status

Reconciliation of funded status of benefit plans to the amounts recorded in the consolidated financial statements is as below:

	<u>2019</u>	<u>2018</u>
Accrued benefit obligation, ending balance	\$ 33,810	\$ 32,441
Unamortized net actuarial losses	(9,437)	(7,694)
Liability for PRB/PEB, ending balance	<u>\$ 24,373</u>	<u>\$ 24,747</u>

(e) Post-Retirement and Post-Employment Benefits Plans (PRB/PEB) (continued)

Components of Net Periodic Post - Retirement Benefit Cost

The net period benefits cost for pension plans include the following components for the years ended August 31 are:

	<u>2019</u>	<u>2018</u>
Current period service cost	\$ 1,130	\$ 1,218
Amortization of net actuarial gains(losses)	1,108	1,045
Benefit expenses	\$ 2,238	\$ 2,263
Benefit interest expenses	1,542	1,484
Total benefit expenses	<u>\$ 3,780</u>	<u>\$ 3,747</u>

The accrued benefit obligations for employee future benefit plans as at August 31, 2019 are based on actuarial valuations for accounting purposes as at August 31, 2019. These actuarial valuations were based on assumptions about future events. The economic assumptions used in these valuations are the Corporation's best estimates of expected rates of:

	<u>2019</u>	<u>2018</u>
Discount rate on accrued benefit obligation	4.05%	4.95%
Rate of Compensation increase	3.50%	3.50%
Supplemental Health Care (SHC) cost trend rate 5.75% for 3 years with grading by 0.25% per year to an ultimate rate of 5.0%	5.75%	5.75%
Dental cost trend rate	4.50%	4.50%

(f) Alberta Teachers Retirement Fund (ATRF)

The current service and past service costs of the Alberta Teachers Retirement Fund (ATRF) are met by contributions by active members and the Province of Alberta. Under the terms of the *Teachers' Pension Plan Act*, the Corporation does not make pension contributions for certificated staff and does not report on any unfunded liabilities. The service costs for the members are funded and contributed by the Province of Alberta in the amount of \$73,326 (2018 - \$75,590) and are included in these consolidated financial statements as revenue from the Government of Alberta and as certificated benefits expense. At August 31, 2019, the ATRF reported a surplus of \$2,697,272 (2018 - \$1,904,968).

(g) Local Authorities Pension Plan (LAPP)

The Corporation participates in the LAPP, which is a multi-employer pension plan and does not report on any unfunded liabilities. The service costs for the employees for the current year of \$18,678 (2018 - \$21,428) are included in these consolidated financial statements and comprise the Corporation's costs of employer contributions. At December 31, 2018, the LAPP reported a surplus of \$3,469,347 (2017 - \$4,835,515).

The Corporation provides non-contributory defined benefit supplementary retirement benefits to its executives and it participates in the multi-employer supplementary integrated pension plan (SiPP) for members of senior administration. The plan provides a supplement to the LAPP or ATRF pension to a full 2% of pensionable earnings multiplied by pensionable service, limited by the Income Tax Act. The annual expenditure for this pension plan is equivalent to the annual contributions of \$44 for the year ended August 31, 2019 (2018 - \$48).

CALGARY BOARD OF EDUCATION
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
(in thousands)

7. EMPLOYEE FUTURE BENEFITS (continued)

The non-registered supplemental executive retirement plan (SERP) is administered by the Corporation and provides annual retirement benefits of 2% of total employee earnings. The cost of SERP is incurred by the Corporation and is actuarially determined using the projected accrued benefit cost method with proration of service costs.

The Corporation does not have sufficient plan information on the LAPP/MEPP/PSPP/SiPP to follow the standards for defined benefit accounting, and therefore follows the standards for defined contribution accounting. Accordingly, pension expense recognized for the PSPP/LAPP/MEPP/SiPP is comprised of employer contributions to the plan that are required for its employees during the year, which are calculated based on actuarially pre-determined amounts that are expected to provide the plan's future benefits.

8. ASSET RETIREMENT OBLIGATIONS

	<u>2019</u>	<u>2018</u>
Balance, beginning of year	\$ 327	\$ 327
Obligations discharged, during the year	-	-
Balance, end of year	<u>\$ 327</u>	<u>\$ 327</u>

An annual interest rate of 5.35 per cent is applicable to discount expected cash flows for calculation of the initial obligation and a rate of 3.7 per cent would be applicable for accretion of the obligation.

The Corporation monitors the utilization of its assets in the normal course of operations. The Corporation has not recorded an asset retirement obligation for the estimated costs of restoring certain schools or disposing of surplus sites that may require remediation as the Corporation is unable to determine the value of this liability as all locations and types of contamination, if any, are unknown.

9. DEBENTURES AND OTHER SUPPORTED DEBT

The debentures for the acquisition of school buildings are funded directly by Alberta Education (pre-1995). Those debentures were issued by Alberta Capital Finance Authority ("ACFA") for periods of 15, 20 or 25 years in those years prior to 1995 when the Corporation had local taxing authority, at fixed annual interest rates ranging from 7.38 per cent to 11.75 per cent, and mature at various dates to 2020. Balances at August 31, 2019 are \$232 (2018 - \$528) and are repayable by 2020. All debenture principal and interest payments are fully guaranteed by the Province of Alberta. Minimum principal repayments of debentures based on the terms above are as follows:

	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2020	\$ 232	\$ 24	\$ 256

CALGARY BOARD OF EDUCATION
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

10. CAPITAL LEASES

Capital leases are approved by the Alberta Minister of Education for internally financed projects. All capital leases are secured by identified assets of the Corporation. The Corporation has set aside restricted long-term investments of \$13,899 (2018 - \$13,507) (refer to Schedule 5) to retire the outstanding lease obligation as of August 31, 2019. As of August 31, 2019, capital lease obligations pertaining to the Corporation are as summarized below:

	<u>2019</u>	<u>2018</u>
Finance contracts, secured by certain building components at annual interest rates ranging from 2.17 per cent - 3.28 per cent, repayable in annual installments of \$565,885 including interest, maturing August 2021 through August 2023.	\$ 1,572	\$ 2,080
Finance contracts, secured by certain building components at annual interest rates ranging from 1.67 per cent - 3.28 per cent, repayable in annual installments of \$457,765 including interest, maturing August 2021 through August 2023.	4,753	5,426
Finance contracts, secured by certain building components at annual interest rates ranging from 1.67 per cent - 3.28 per cent, repayable in annual installments of \$809,437 including interest, maturing August 2019 through August 2024.	1,579	1,987
Finance contracts, secured by certain building components at annual interest rates ranging from 1.67 per cent - 3.28 per cent, repayable in annual installments of \$442,355 including interest, maturing August 2021 through August 2024.	5,346	3,340
	<u>\$ 13,250</u>	<u>\$ 12,833</u>

Minimum lease payments for future years are as follows:

	<u>Interest</u>	<u>Principal</u>	<u>Total</u>
2020	\$ 335	\$ 2,193	\$ 2,528
2021	280	3,844	4,124
2022	200	3,606	3,806
2023	105	1,982	2,087
2024	43	1,625	1,668
Total	<u>\$ 963</u>	<u>\$ 13,250</u>	<u>\$ 14,213</u>

The Corporation entered into finance contracts during the year in the amount of \$2,361 (2018 - \$2,048) secured by certain building components maturing through August 2024.

CALGARY BOARD OF EDUCATION
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
(in thousands)

11. ACCUMULATED SURPLUS

The components of the Corporation's accumulated surplus are described below:

	2019	2018
Unrestricted surplus	\$ -	\$ -
Operating reserves	22,994	25,977
Accumulated surplus from operations	22,994	25,977
Investment in tangible capital assets	165,990	158,721
Capital reserves ^(a)	15,887	24,200
Endowments ^(b)	4,714	4,165
Accumulated remeasurement gains	998	797
Accumulated surplus	\$ 210,583	\$ 213,860

Included in Accumulated surplus from operations are school generated funds to which the Corporation has no claim. Adjusted accumulated surplus represents funds owned by the Corporation.

	2019	2018
Accumulated surplus from operations	\$ 22,994	\$ 25,977
Add: Non-vesting accumulating employee future benefits charged to accumulated surplus ^(c)	(10,164)	(10,164)
Deduct: School generated funds included in accumulated surplus (Note 14)	(14,308)	(15,167)
Adjusted accumulated surplus from operations ^(d)	\$ 27,138	\$ 30,980

(a) Capital reserves

The Corporation's capital reserves and designated capital funds are established by Board of Trustees' resolution and in accordance with Provincial legislation, and are funded from proceeds on disposals of capital assets, provision from operating funds, or from lease revenues.

The reserves and designated funds are to be applied to finance future capital expenditures in accordance with the specific requirements of each Board resolution. At August 31, 2019, \$5,478 (2018 - \$8,711) is committed or designated for a specified purpose and \$10,409 (2018 - \$15,489) available for new building commitments.

(b) Endowments

As a result of consolidating EducationMatters, the Corporation has included the Endowment Fund which represents the principal amounts contributed for the benefit of students which must be held in perpetuity by EducationMatters in accordance with stipulations placed by the contributor.

(c) Employee future benefits

The Corporation has recorded a provision for employee future benefits. Since this provision reflects estimated future obligations, it is not required to be funded from current operations

(d) Adjusted accumulated surplus from operations

Adjusted accumulated surplus from operations represents funding available for use by the Corporation after deducting funds committed in the 2018-19 and 2019-20 budget process for capital and operating initiatives as well as our net investment in capital assets.

12. RELATED PARTY TRANSACTIONS

(a) Province of Alberta and economic dependence

The Corporation is economically dependent upon the Government of the Province of Alberta, since the viability of its on-going operations depends on grants and contributions from Alberta Education and other provincial ministries.

Effective 2005-06, school jurisdictions have been deemed to be controlled by the Government of Alberta according to criteria set out in the Canadian Institute of Chartered Professional Accountants Public Sector Accounting Standards Section 1300, Government Reporting Entity. All entities consolidated or accounted for on a modified equity basis in the accounts of the Government of Alberta are now considered related parties of school jurisdictions for financial reporting purposes. These include government departments, health authorities, post-secondary institutions and all school jurisdictions in Alberta.

Assets, liabilities and transactions of the Corporation that relate to the Government of Alberta are as follows:

As at and for the year ended August 31, 2019	Assets (at cost or net realizable value)	Liabilities	Revenues	Expenses
Government of Alberta (GOA):				
Education

TOTAL 2018	\$ 35,868	\$ 1,160,690	\$ 1,269,474	\$ 43,113

(b) Other

Various parent groups, including societies and other associations, solicit donations and undertake fundraising activities to provide operating and capital donations to further the objectives of the Corporation. The financial information of these groups is not consolidated in these financial statements as the Corporation has no control over any of those entities.

Any transactions between key management personnel or the Board of Trustees and the organization have been recorded at fair or market value in these consolidated financial statements.

15. CONTRACTUAL OBLIGATIONS AND CONTINGENT LIABILITIES

(a) Contractual obligations

	<u>2019</u>	<u>2018</u>
Building projects	\$ 3,609	\$ 48,816
Building leases	172,464	192,388
Service providers	265,826	121,216
	<u>\$ 441,898</u>	<u>\$ 362,420</u>

Building projects:

The Corporation has contractual commitments to complete major capital projects relating to school buildings and administrative sites. The full amount of the outstanding contractual obligations as at the reporting date is to be funded by capital contributions from Alberta Education.

Building lease:

The Corporation has entered into various operating lease agreements for office spaces that expire up to February 2031. The annual lease expense exclusive of operating costs is \$9,875 (2018 - \$9,668) from which sublease income of \$214 (2018 - \$919) was recovered historically.

Service providers:

As at August 31, 2019, the Corporation has the following commitments relating to service and grant contracts:

- Effective March 9, 2017, the Corporation entered into a five (5) year term Master Transportation Agreement (“MSA”) with Southland Transportation Ltd. (the “Carrier”) for the provision of student school bus and taxi transportation services. The agreement may be renewed for one additional term of five (5) years or may be terminated by the Corporation by giving sixty (60) days notice prior to the effective date of such termination. The parties agreed to execute Annual Service Agreements (“ASA”), the first such Annual Service Agreement (“ASA-1”) began August 1, 2018 and continues to and including July 31, 2019. ASA-1 outlines the Carrier’s obligations, the applicable rates, performance indicators, the drivers’ responsibilities, and all other anticipated fees and charges under the agreement.
- The Corporation has revised its service agreement related to certain payroll and human resources administration processes expiring October 14, 2019.
- The Corporation entered into an electricity supply agreement with Enmax to the end of December 2020. The Corporation entered in a natural gas supply agreement with Direct Energy expiring December 2020.

Estimated payment requirements for each of the next five years and thereafter are as follows:

	<u>Building Projects</u>	<u>Building Leases</u>	<u>Service Providers</u>	<u>Total</u>
2019-20	\$ 3,609	\$ 13,530	\$ 74,515	\$ 91,654
2020-21	-	13,821	63,732	77,553
2021-22	-	14,068	56,945	71,014
2022-23	-	14,107	55,507	69,615
2023-24	-	14,555	3,931	18,486
Thereafter	-	102,382	11,195	113,577
Total	<u>\$ 3,609</u>	<u>\$ 172,464</u>	<u>\$ 265,826</u>	<u>\$ 441,898</u>

(b) Contingent liabilities

Periodically, legal actions are brought against the Corporation in the normal course of operations. Management believes that the ultimate resolution of claims presently outstanding is not expected to be significant to the overall financial position of the Corporation.

	<u>2019</u>	<u>2018</u>
Scholarship trust funds	\$ 18	\$ 191
School staff funds	2	3
	<u>\$ 20</u>	<u>\$ 194</u>

17. THE URBAN SCHOOLS INSURANCE CONSORTIUM (“USIC” or “the CONSORTIUM”)

The Corporation is a member of USIC, a licensed reciprocal insurance exchange under Alberta’s *Insurance Act*, which facilitates the placement of property and liability insurance coverage for 14 school jurisdictions throughout the Province of Alberta. Under the agreement created at the time USIC was established, decisions related to the financial and operating activities of the Consortium are shared. No partner is in a position to exercise unilateral control. Amounts are paid by each of the members to the consortium to pay for insurance premiums on policy renewals and to self-insure a portion of each member’s risk exposure.

The Corporation has not proportionately consolidated the pro-rata share of assets, liabilities, revenues and expenses of the consortium, as the accumulated consortium funds are payable only upon membership termination or dissolution of the consortium.

The Corporation’s share of the accumulated and unencumbered consortium funds as at August 31, 2019 was \$2,345 (2018 - \$2,644).

18. COMPARATIVE FINANCIAL INFORMATION

Certain comparative figures have been reclassified as directed by Alberta Education to conform to the presentation requirements of Alberta Education’s AFS Guidelines.

	<u>Originally Reported</u>	<u>Adjustment</u>	<u>Reclassified</u>
Deferred contributions	\$ 1,189,239	\$ (27,641)	\$ 1,161,598
Accounts payable and accrued liabilities	88,766	27,641	116,407
Portfolio Investments	20,517	(20,517)	-
Operating	-	13,507	13,507
Endowment	-	7,010	7,010

19. SEGMENTED INFORMATION

Segmented information has been identified based upon lines of service provided and activities performed by the Corporation. Alberta Education requires that school jurisdictions disclose expenses based on the type of activity or services provided, regardless of whether they are incurred at schools or centrally. The services that have been separately disclosed in the segmented information, along with a description of those services, are as follows:

i. *Instruction (ECS and grades 1 – 12)*

Instruction is comprised of both the delivery of instruction in schools as well as school administration and support provided for instruction centrally.

ii. *Plant, operations and maintenance*

Activities related to the construction, operation, maintenance, safety and security of school buildings and support provided to administer these activities are included as plant, operations and maintenance.

CALGARY BOARD OF EDUCATION
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
(in thousands)

19. SEGMENTED INFORMATION (continued)

iii. *Transportation*

The Corporation offers transportation services to students meeting eligibility criteria. All direct activities related to transporting students and the support to run the program is included in transportation.

iv. *Administration*

Administration includes system-wide activities for the purpose of general regulation and direction of the affairs of the school jurisdiction.

v. *External services*

External services includes services offered outside the Corporations regular educational programs for kindergarten to Grade 12 students such as continuing adult education.

Certain allocation methodologies are employed in the preparation of segmented financial information. Amortization expense is allocated to segments based upon the purpose of the tangible capital asset that is being utilized.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in Note 2. See Schedule 3 – Program of Operations for details.

20. BUDGET COMPARATIVES

The CBE's annual budget is first prepared in the spring prior to the start of the school year using enrolment estimates and Alberta Government budget announcements. This 2018-19 unaudited budget was approved by the Board of Trustees on May 22, 2018 and submitted to Alberta Education on May 22, 2018. In the fall, the budget was updated to reflect actual enrolment numbers and was accepted by the Board of Trustees on November 27, 2018.

The fall budget update is presented in the Statement of Operations for comparative purposes. The table below shows the original approved budget compared with the budget as presented for comparative purposes and the difference is the impact of the updated enrolment numbers on revenues and planned expenditures.

Amounts budgeted for tangible capital assets acquired only include board-funded assets, which excludes all capital activity that is funded directly by the Province of Alberta, such as new school construction and modular units. During the year, the actual Board-funded capital acquisitions were \$29,052 (2018 - \$24,603) as shown in Schedule 1.

Management's Discussion and Analysis For the year ended August 31, 2019

2018-19 Overview

The Calgary Board of Education (CBE) is the public school board in Calgary, Alberta, Canada, and is one of the best public education systems in the world. From Early Childhood Services (ECS) to Grade 12, the CBE operates a wide variety of programs and services to support each and every student. Outstanding education depends on making wise decisions about how to invest public resources on behalf of the over 123,000 students. It is an important responsibility. Money spent educating today's youth is one of the most important investments a society can make in its future.

The CBE works with students, families, communities, Alberta Education and employees to build positive learning and working environments. The Board of Trustees' policies, the CBE Three-Year Education Plan and the direction set by Alberta Education, guide our work.

The CBE's values, set out below, guide Administration's approach to the budget and the work we do:

- Students come first
- Learning is our central purpose
- Public education serves the common good

This Management Discussion and Analysis (MD&A) should be read in conjunction with the CBE's [Budget Report](#) for 2018-19 (including the Fall Budget Update), Fourth Quarter Budget Variance Report and Consolidated Financial Statements and the accompanying notes for the year ended Aug. 31, 2019. The Budget Report outlines how the CBE is structured, governed and outlines priorities for supporting students.

The CBE's work is guided by its [Three-Year Education Plan](#) and the Fall Budget Update Report outlines the allocation of resources to achieve student success which includes:

- Priorities – this section summarizes learning and operating priorities in keeping with the CBE values above. See page 4 in the [Budget Report](#) for 2019-20.

2018-19 Achievements and other operational highlights

The CBE is a leader in public education and is proud of students and their accomplishments. The CBE offers an impressive breadth and depth of programming and supports to meet the unique learning needs and interests of all students in an increasingly diverse population.

Enrolment growth

Student enrolment at the CBE continues to grow. Over the past ten years, enrolment has increased by 21,597 (21.2%) students. Enrolment for 2018-19 increased to 123,419, up 1,728 (1.4 per cent) from the previous year. To put that in perspective, a large elementary school has a student population of about 600 students; for 2018-19 the CBE grew by the equivalent of approximately three such schools.

Grade 6 and Grade 9 PAT and Grade 12 Diploma examination results

CBE students achieved impressive results on the [2018-19 Provincial Achievement Tests and Diploma Examinations](#). Highlights include:

- CBE student results in Grade 6 exceeded provincial results in all measures at both the Acceptable Standard and the Standard of Excellence.
- In Grade 9, our results exceeded provincial results in three of five measures at the Acceptable Standard and in four of five measures at the Standard of Excellence.
- CBE results were above provincial results in 10 out of 11 Diploma Exam measures at the Acceptable Standard and 11 of 11 measures at the Standard of Excellence.

Operational priorities

Resources were allocated to support the improvement priorities identified within the Three-Year Education Plan. Those priorities include increasing success of Indigenous students and improving success of all students in mathematics and literacy. The CBE also continues to focus on high school success through a range of initiatives.

Approximately 710 students benefited from extended early learning experiences at 16 full day kindergarten locations across the school district which is not funded by Alberta Education.

The CBE continues to provide seven years of English Language Learner support (versus the five years of programming funded by Alberta Education). This decision, supported by research, increases the results achieved by students. Approximately 4,610 students across the system directly benefit from these additional two years of support.

A critical enterprise application in the CBE used by students, parents, guardians, teachers, administrators, managers and service units was replaced by Powerschool, which went live at the beginning of the 2018-19 school year ensuring the CBE was compliant with Alberta Education's student information data standards.

New school construction and student spaces

During the past three years the CBE has opened 24 new schools, modernized four schools and initiated the major modernization of Forest Lawn High School. Information on these projects is available on the [CBE's website](#). In 2018-19, the CBE opened Joane Cardinal-Schubert High School and reopened Glenmeadows School, which created 2,300 new student spaces during the 2018-19 school year. The new schools provide much needed learning spaces and allows students to attend schools closer to their home communities. The modernization of Forest Lawn High School includes upgrades to programs such as welding shop, automotive shop, and building construction shop. Phase two includes the modernization of learning commons, four computer labs and seven classrooms.

New, modernized and replacement school projects are primarily funded by the Government of Alberta. The CBE also invested more than \$26.8 million between 2015 and 2019 to ensure that new, replacement and modernized schools are set up for student success. These commissioning dollars mean that CBE schools continue to meet students' needs today, tomorrow and into the future. Ongoing operating costs increased by approximately \$2 million in 2018-19 to operate Joane Cardinal-Schubert High School and Glenmeadows School. The CBE's total increased annual operating costs due to new schools between 2015 to 2019 school years is approximately \$15.7 million.

Employee engagement

The CBE's Three-Year Education Plan identified understanding the level of engagement employees have in their jobs as a priority. In spring 2017, a third-party partner administered an employee engagement survey. In the 2017-18 school year the results were released, Areas and service units facilitated focused discussions on the survey results, and the CBE committed to system-wide actions to help improve employee engagement.

The CBE conducted its second [employee engagement survey](#) in the spring of 2019. The strong response on this survey is very encouraging, with more than 9,200 employees participating. That's an increase of more than 1,200 participants from the 2017 employee engagement survey.

Staffing highlights

Staff and full-time equivalents (FTEs)

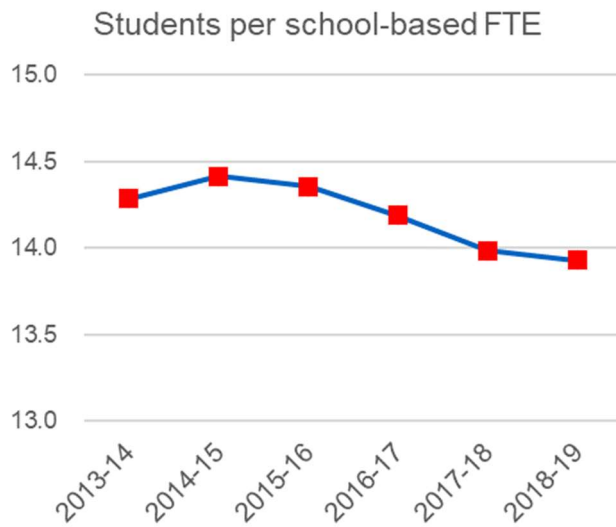

In 2018-19, the CBE employed more than 14,000 people, which equates to 10,286 FTE positions. This makes the CBE one of the largest employers in the city of Calgary. Each employee plays an important role in supporting students in their learning. Teachers, principals and other school-based employees work directly with students to help them reach their potential. School-based employees represent 92 per cent of the total 10,286 FTEs. School-based staff are supported by skilled, knowledgeable, and dedicated employees who work in a variety of other capacities across all of the supporting service units.

The CBE spends the greatest proportion of its funds (78 per cent) on salaries and benefits, with teachers making up the majority of that total. The provincial grant increases in past years have not been sufficient to cover the negotiated wage rate increases and

wage grid movement for teachers and support staff. As a result, the number of school-based FTEs has not always increased at a rate equal to enrolment growth. This places upward pressure on the ratio of students to school-based staff.

Students per FTEs

Every staff member is critical to ensuring a student's path to success. While decisions on funding allocation is prioritized to schools, this has a direct impact on what is available for non school-based support to students.

While grant rates did not change, funding for enrolment growth, the use of reserves, and the incremental funding made available through the Classroom Improvement Fund provided sufficient funding to allow the CBE to slightly improve the ratio of students to school-based staff.

The following tables show the average number of the CBE students per school-based FTE staff position. For the purposes of this graph, school based staff **does not include** staff in service units that work directly in schools, such as facility operations staff, trades staff, centrally managed school supports including school technology support specialists, psychologists, speech-language pathologists and the range of other supporting professionals.

- A lower ratio in this chart indicates that each school-based FTE is servicing a smaller group of students.

The ratio of students to non school-based FTEs are not as closely tied to enrolment growth as school-based staffing levels. Since resource allocations are prioritized to schools, central support staffing changes have not kept pace with enrolment growth. This results in an increase to the student per non school-based FTE ratio.

For the purposes of this table, non school-based FTEs include facility operations staff who work in schools as well as psychologists, braille assistants, deaf and hard of hearing specialists, mental health specialists, occupational and physical therapists, and speech language pathologists.

- A higher ratio in this chart indicates that each non school-based FTE is servicing a larger group of students.

Financial highlights

Operating highlights

For the 2018-19 school year, the CBE continued to provide high quality, comprehensive, responsive, caring, inclusive public education to students. Over the past three years, 24 new schools have opened. Non-school facility capital and maintenance projects create a positive environment and system supports to schools and their students. Supporting the delivery of the Three-Year Education Plan within available resources requires focus, prioritization and choices. Inflation, salary grid movement, operating new schools and covering all costs within the available resources is a challenge. These costs often outpace the growth in Alberta Education funding, which is based on per-student formula rather than actual costs of providing public education. This requires utilizing a variety of sources of savings (for example, service level reductions, reductions and changes to programming, service unit support reductions, use of reserves) to continue to deliver the levels of service expected by the community.

Year-over-year highlights

The 2018-19 deficit of \$3.5 million is \$1.4 million higher than the prior year deficit of \$2.1 million. Highlights in the year include:

- An increase in enrolment. Funding rates remained steady to prior year, but with an increase in the number of students, overall funding increased.
- The number of staff to provide instruction and support students have also increased.
- The government has provided the same funding with Bill 1, including the Fee Replacement Grant for Instructional Supplies and Material, as well as Transportation Fees.
- Classroom Improvement Funding remained consistent with prior year. This was channeled into student learning by increasing FTEs to support student learning.
- In 2017-18 Administration projected operational and capital project funding requirements and deemed it prudent to convert equity and bond investments into cash. This strategy has not been repeated in 2018-19, resulting in lower investment income compared to prior year.

Revenue and expense categories are further discussed in the following sections.

Financial results and analysis

Consolidated financial results

The CBE's consolidated financial statements are presented in accordance with Public Sector Accounting Standards and in the format prescribed by Alberta Education. Expenditures reported in the consolidated financial statements are grouped based on the lines of service provided and activities performed by the CBE, regardless of whether these activities happen in schools or centrally. An alternate view of expenditures is presented below with comparative figures and in Attachment II for schools and service units. This is the view commonly presented in the CBE's Budget Reports and provides more information as to the specific types of expenditures that were made during the year.

	Actuals 2018-19	Actuals 2017-18	Increase / (Decrease)
	(in \$000s)

Year-over-year review

Revenue

Overall revenues increased by \$21.6 million (1.6 per cent) due to:

- An increase in revenue from the Government of Alberta of \$22.1 million. Funding increased due to:
 - Enrolment growth of \$18.6 million with grant funding rates that were held constant.
 - Expended deferred capital revenues (EDCR) increased by \$3.6 million due to two new schools and four modernizations which were completed in the previous year and began incurring amortization costs during the year. These non-cash revenues fully offset the amortization expense for those new schools.
 - Infrastructure Maintenance and Renewal (IMR) funding increased by \$2.1 million.
 - This was offset with a decrease to ATRF of \$2.3 million due to a small decline in rates.
- A decrease of \$3.3 million of investment revenue from the prior year. In 2017-18 Administration projected operational and capital project funding requirements and deemed it prudent to convert equity and bond investments in to cash; and
- An overall increase of \$4.0 million in all other categories of revenue, mainly due to the natural variability of school operations year over year.

Government of Alberta funding

	Actuals 2018-19	Actuals 2017-18	Increase/ Decrease	
	(in \$000s)	(in \$000s)	(in \$000s)	%
Student Funding	1,090,160	1,072,100	18,060	1.7%
Alberta teacher retirement funds	73,326	75,590	(2,264)	(3.0%)
Expended deferred capital funding	41,608	37,999	3,609	9.5%
Student transportation	34,581	34,267	314	0.9%
Fee Replacement Grant	18,265	18,265	-	-
Infrastructure Maintenance and Renewal	17,030	14,930	2,100	14.1%
Classroom Improvement Fund	13,281	13,022	259	2.0%
Government of Alberta revenue	1,288,251	1,266,172	22,079	1.7%

The CBE received \$1,288.3 million or 93 per cent of total revenue from the Government of Alberta. Of those funds, \$1,113.9 million to provide instruction and support student learning. The CBE decides how best to use these funds in support of teaching and learning.

- \$1,090.1 million were provided for instruction and to support student learning.
- \$13.3 million was a part of Classroom Improvement Funding.
- \$10.5 million was provided in response to the School Fees and Cost Regulation in efforts to replace instructional supplies and material fees with a Fee Replacement Grant.

Of the remaining \$174.4 million of total Government of Alberta funding, a large portion of it is targeted for specific expenditures, including:

- \$73.3 million – ATRF is a flow-through transaction whereby funds received are designated for payment to the ATRF.
- \$42.5 million - Student transportation is funding received specifically for the transportation of pupils, including the fee replacement grant provided by the government. A portion of the fee replacement grant is included here.
- \$41.6 million – As facility capital projects are amortized (expensed) over the course of their estimated useful life, a corresponding amount of Alberta Education revenue is recognized to show that provincial funding fully offsets the cost of the building.
- \$17.0 million - IMR funding is provided by the Province to ensure that the health, safety and essential upgrading needs of facilities are met.

Alberta Education funding per student

The CBE's enrolment in 2018-19 increased by 1,728 students as of September 30, 2018. Grant funding rates have not increased since 2015-16.

CBE received funding in multiple forms from Alberta Education. Some targeted funding is not available to support to teaching and classroom learning. The following targeted funds are excluded from the calculation of funding per student: IMR, the ATRF, student transportation (including the related fee replacement grant) and EDCR.

CBE also received lump sum targeted grants that are used to directly support student learning. These include:

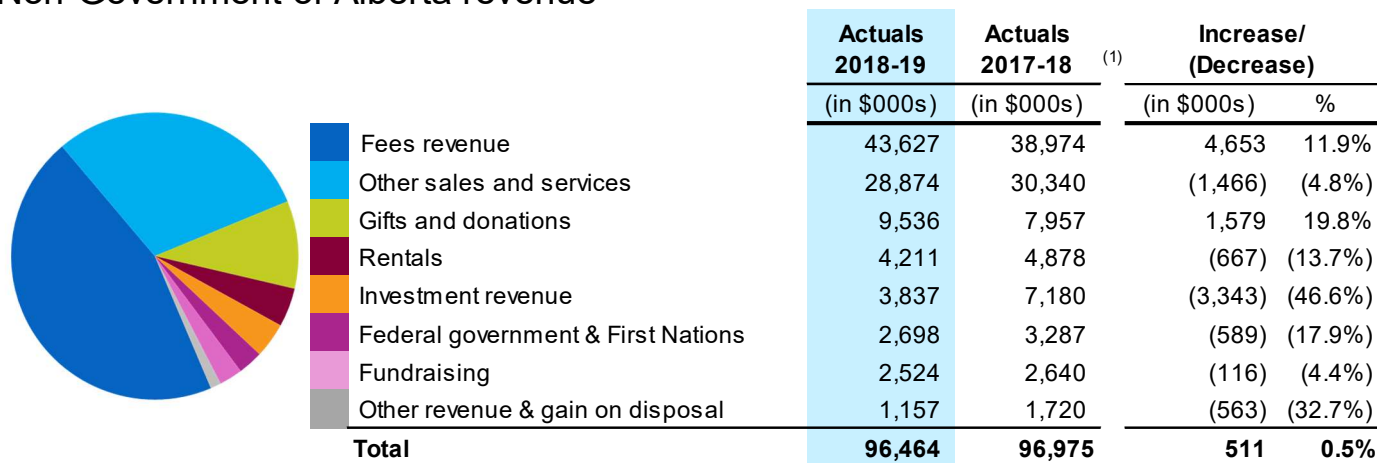

- Classroom Improvement Fund (CIF) - This provincial grant, jointly administered by the local school jurisdiction and the Alberta Teachers Association, assisted in improving the student experience in the classroom by hiring additional teachers, hiring additional school-based non-teaching staff or purchasing materials for the classroom. The CBE and ATA Local 38 agreed to use this funding to hire an additional 125 school-based FTEs.
- Fee Replacement Grant – In lieu of charging school fees.

Funding per student has remained steady over the past few years. However, as with most costs in the economy, CBE also faces inflationary challenges. Using 2011-12 as a base year, if funding had kept pace with inflation, CBE would have received an additional \$99 million in 2018-19, over and above the funding and targeted funding received.

Non-Government of Alberta revenue

(1) Actuals for 2017-18 have been reclassified for comparative purposes.

Other revenue of \$96.5 million (7 per cent of total revenue) was received from the sources listed above. Primary reasons for changes include:

- The following are mainly generated in schools, which are inherently variable year to year based on school decisions to adapt to student needs.
 - Fees revenue increased by \$4.7 million.
 - Other sales and services decreased by \$1.5 million.
 - Gift and donations increased \$1.6 million.
 - Rentals decreased by \$0.7 million.
- Investment revenue has decreased from the prior year by \$3.3 million due to the sale of investments in 2017-18 and this strategy has not been repeated in 2018-19.
- Federal government and First Nations grants have decreased by \$0.6 million as funding for the Language Instruction for New Comers program was reduced.
- Other revenue has decreased by \$0.6 million mainly due to a decrease in funding for students with special needs.

Fees revenue

Fee regulations

The CBE has developed three new or modified Administrative Regulations effective Sept. 1, 2017 that address the provincial government's fee regulations:

- [School Fees](#)
- [Student Transportation](#)
- [Noon Services](#)

Fee revenue background

The CBE charges fees to enhance the learning experience for students and provide services that reflect the expectations that families have for the scope, breadth and depth of programs offered by the CBE. Fees are an unfortunate reality to enhancing learning experiences, which in many cases, are not provincially funded.

CBE estimates the fees to cover program costs in the spring. Fees levied do not include overhead costs. Fees are used exclusively for the purpose for which it was collected and are not used to support other activities at CBE. Any surplus resulting from fees collected are added to a related reserve to moderate year-over-year changes in fees.

In keeping with our values, the CBE provides a waiver process to ensure that no student is denied access to an education due to the inability to pay some or all fees. Learning is, and remains, our central purpose.

Fee revenue summary

The following fees were centrally set and managed:

	Actuals 2018-19	Actuals 2017-18
Transportation	\$350	\$335
Noon Supervision (4/5 Days)	\$265-\$295	\$255-\$285

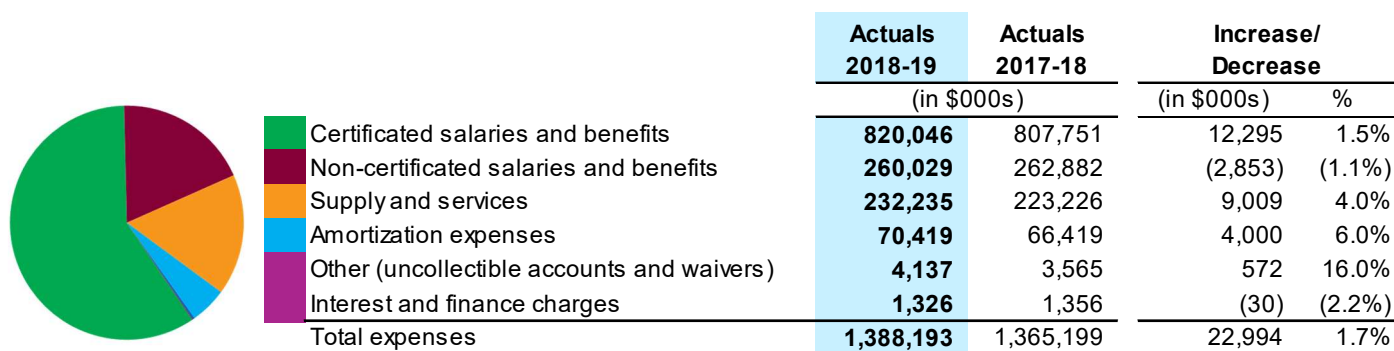

Fees revenue reported in the tables presented are the fees charged to parents in the year, including fees that are waived or deemed uncollectible.

In addition to transportation and noon supervision fees (Attachment 1), there are school based fees that are charged directly by schools such as for optional courses, field trips and extracurricular activities. School based fees totaled \$19.7 million for 2018-19.

Additional fee reporting is also included in the Audited Financial Statements that discloses the nature of fees for the year.

Expenses

In 2018-19, with student enrolment increasing by 1,728 or 1.5 per cent. Expenses increased by \$23.0 million, or 1.7 per cent.

Overall expenses by nature increased by \$23.0 million (1.7 per cent) which is primarily the net impact of the following:

Increased expenses of:

- \$22.2 million in salaries and benefits due to an additional 239 FTEs.
- \$4.0 million in increased amortization expenses due to the completion of new capital projects.
- \$3.6 million increase in transportation due to increased ridership and higher number of complex need students.
- \$2.1 million due to long-term absences and sick leaves.
- \$2.0 million in medical and dental benefits administration costs.
- \$1.6 million increase in utility rates.
- \$1.2 million increase in insurance claims.
- \$1.2 million in increased expenditures for infrastructure maintenance and renewal.

Which is offset by decreased expenses of:

- \$9.1 million due to cost saving measures and changes to the program offerings at Chinook Learning Services.
- \$2.9 million due to changes in staffing levels within the Facilities and Environmental Services.
- \$2.1 million due to position vacancies in service units.
- \$0.8 million in payroll services repatriation expenses that were not incurred this year as the project is complete.

Expenses by service unit

Expenses can also be viewed by schools and Areas and service units to understand the costs to support learning.

This chart shows that the majority of the CBE's resources are allocated to schools and areas. The chart also shows how service units spend money to support student success in schools. FTEs presented here and in the schools/service unit tables in Attachment II, reflect budgeted positions; actual positions filled during the year will vary.

Expense by service unit

	2018-19 FTEs	Salaries and benefits	Supplies and services	Other (interest, amortization and uncollectible accounts)	Actuals 2018-19	Actuals 2017-18	Increase/ (decrease)
in \$000s							
Schools & Areas	9,521	984,238	85,934	29	1,070,201	1,046,496	23,705
Service Unit System Budgets	18	8,047	128,671	68,838	205,556	192,125	13,431
Facilities & Environmental Services	208	22,714	9,242	2,928	34,884	37,481	(2,597)
Learning	190	24,856	4,914	623	30,393	41,556	(11,164)
Finance/Technology Services	194	22,798	1,347	3,394	27,539	27,683	(144)
Human Resources	110	12,114	804	45	12,963	13,187	(225)
Communications	22	2,587	53	-	2,640	2,583	57
Legal	11	1,227	66	24	1,317	1,722	(405)
Chief Supt's Office	5	1,074	109	2	1,185	1,030	155
Board of Trustees	7	422	1,095	-	1,517	1,336	181
Total	10,286	1,080,077	232,235	75,883	1,388,193	1,365,199	22,994

FTEs in each service unit can be categorized into:

	2018-19	2017-18
ATA, SA, CUPE, Trades Staff	10,074	9,978
Exempt Staff	205	204
Superintendents	7	7
Total	10,286	10,189

Year over year highlights

- Schools & Areas increase of \$23.7 million is the result of additional staffing due to increased enrolment, student complexity and collective agreement grid movement.
- Corporate accounts are higher by \$13.4 million, over half of which can be attributed to increased transportation and amortization costs. The remaining increase is due to increase in utility rates, annual fees and professional services for the new PowerSchool, offset with savings from the payroll repatriation and increased infrastructure maintenance spend.
- Decrease in facilities and environmental services can be traced to a decrease in positions to conserve expenses.
- The decrease in Learning is largely due to the reduction of spacing and programs for Chinook as well as the reduced funding received for the LINC program, which translated to a decrease in expenditures.

Please refer to Attachment II for further details provided for each service unit.

Capital highlights

The CBE receives funding for capital assets through three main sources. Examples of the types of projects supported by capital funding are listed below.

Fund Provider	Types of Projects
Alberta Infrastructure	<ul style="list-style-type: none"> • Funding specific, new, modernized schools through targeted grants • Largely funds modular classroom additions
Alberta Education	<ul style="list-style-type: none"> • Infrastructure Maintenance Renewal (IMR) • Playgrounds
Board Funded	<ul style="list-style-type: none"> • New School Commissioning • IT Infrastructure • Student Information System • Electronic Device upgrades

Total additions to tangible capitals assets were \$82.4 million in 2018-19 which are largely comprised of:

- \$20.1 million in Construction and modular funding from Alberta Infrastructure
- \$34.2 million was attributed to board funded capital activities such as school commissioning, technology infrastructure upgrades, technology hardware purchases
- \$23.5 million in IMR capital projects were completed at various schools

As new schools open and require additional commissioning and ongoing maintenance costs, the CBE is faced with these additional draws on funding available. Two new projects were approved out of capital reserves in the 2018-19 year by the Board for the solar project (\$2.5 million) and new school commissioning (\$2.6 million). The CBE also faces aging facilities with the majority of facilities more than 50 years old, increasing the need for additional funding.

As part of the CBE's Three –Year System Student Accommodation Plan and the High School Community Engagement, CBE is working with school communities to manage the use of learning space in schools on an ongoing basis.

Financial position highlights

The CBE has a combined total of \$136.5 million in cash, cash equivalents and portfolio investments as at Aug. 31, 2019. The balance is due to the timing difference between when cash comes in and when related payments are made as well as the timing of significant new school construction activity.

Cash required for the CBE's daily operations is primarily for vendor payments and payroll costs. Cash designated for capital projects is received from the Province for capital construction that is not yet spent. Lastly, the CBE's cash related to designated funding for initiatives or funding carried forward into the following year. CBE reserves are at a modest 2.8 per cent of total annual expenditures.

As at Aug. 31, 2019 the CBE has an accumulated surplus balance of \$210.6 million (2018 - \$213.9 million), reflecting net financial debt of \$1,123.6 million and non-financial assets of \$1,334.1 million. Net debt includes \$1,172.1 million of unearned revenue from Government funding spent on the construction of capital assets. That revenue is recognized and brought into income over the useful life of the related assets.

Reserves highlights

The CBE must balance service and program level changes within available revenue and reserves. The following table summarizes the net impact of operating and capital activities on reserves (see Attachment IV for more details):

	Reserves balance Sept 1, 2018	2018-19 proposed used of reserves	Reserves balance Aug 31, 2019
	(in \$ thousands)		
Total operating reserves	25,977	(2,983)	22,994
Total capital reserves	24,200	(8,313)	15,887
Total reserves	50,177	(11,296)	38,881

The carry-forward of capital project activity from 2017-18 increased the use of capital reserves in 2018-19. Consequently, there was additional funding needed from operating reserves to fund 2018-19 capital projects resulting in a decrease in operating reserves of \$3.0 million.

Balances remaining in reserves of \$38.9 million, or 2.8 per cent of total expenditures, are available for use in 2019-20 and future years, subject to Board of Trustees approval.

Please note that the accumulated surplus is not equivalent to available for use reserves.

Outlook for 2019-20

Student success is at the center of every budget-related decision the CBE makes. The CBE's values, set out below, guide Administration's approach to the budget:

- Students come first
- Learning is our central purpose
- Public education serves the common good

The CBE continues to feel the pressure of operating over 240 schools for more than 123,000 students. 24 schools have opened in the past three years, and three more are set to open in 2020-21. This will mean additional financial pressure as CBE will need to fund the commissioning of these new schools. In addition to new schools, CBE continues to face challenges with aging facilities. As a majority of CBE facilities are over 50 years old, renovation and modernization costs will pose additional pressure on CBE finances.

The CBE is committed to student success and prudent financial management. The CBE will continue to review all programs and operations and make changes where necessary in order to maximize efficiency and resources. CBE has introduced a new School Support model that:

- Is more responsive to the needs of schools;
- Improves accessibility and instructional support to principals, school staff, students and parents;
- Shares the leadership and accountability for delivering on key system priorities;
- Minimizes the number of central leadership positions; and,
- Works within current and future budget constraints.

Prior to the provincial budget being made available, CBE had prepared a budget under the assumption that the provincial funding would be frozen at the 2018-19 school year levels. However, based on the provincial budget announcement made on Oct. 24, 2019, CBE would be receiving at least \$32 million less than the prior school year. This funding cut comes despite of the increase in enrolment by nearly 2,400 students, which is equivalent to four large elementary schools. This cut is in addition to the reductions already reflected in CBE's Spring Budget submission to the government.

As this \$32 million cut comes in the midst of the school year, the overall impact will be much larger. CBE is estimating it will need to reduce spending by at least \$48 million to balance the budget by the end of the 2019-20 school year.

The CBE continues to face challenges with a growing population and providing services at comparable levels. In prior periods, in order to minimize the impact on student learning, reserve funds have been accessed to keep operations running smoothly. CBE's current reserves are at very moderate levels. The strategy of using reserve funds to support growing needs is not a feasible solution in the long term. At the time of developing this report, the organization was in the process of evaluating strategies to bridge the additional gap presented by the Province's October 24, 2019 budget. All options are being evaluated and will consider both short and long term strategies.

Compliance

For the year ended Aug. 31, 2019, the CBE was in full compliance with the provincial funding framework. In addition, all transfers of funds affecting the CBE's operating and capital reserves were made in accordance with provincial regulations and the Board of Trustees' direction and approval.

Attachments

Attachment I

Transportation fees

The CBE arranges transportation for students by contracting with yellow school bus providers or working with Calgary Transit to ensure transportation is available to move students safely, reliably, affordably and in alignment with bell times. A total of 35,500 students were transported in the 2018-19 year; 23,500 students were on yellow school buses, while 12,000 used Calgary Transit. This is an increase of 1,000 compared to the 2017-18 year, in which 34,500 students were transported; 22,500 students were on yellow school buses, and 12,000 used Calgary Transit.

	Actuals 2018-19	Actuals 2017-18	Increase/ (Decrease)
(in \$ thousands)			
Government grants and other	42,451	42,145	306
Busing aides	1,426	1,415	11
Central administration	1,068	1,241	(173)
Transportation services	48,837	45,225	3,612
Other supplies and services	400	849	(449)
Waivers	705	689	16
Uncollectible accounts	197	185	12
Total transportation costs	52,633	49,604	3,029
Funding gap	(10,182)	(7,459)	(2,723)
Fees	4,921	4,585	336
Net (deficit) / surplus	(5,261)	(2,875)	(2,386)

Through Bill 1, the Provincial Government has eliminated or reduced transportation fees, particularly for students attending a regular program at their designated school. Students requiring complex learning needs transportation or attending a special setting are also exempt from transportation fees.

Changes in transportation costs and revenues compared to the fall budget update are due to:

- Increased fuel costs.
- Reduction in paying riders beyond what was projected, as result of Bill 1.
- One-time bus routes in support of the school-within-a-school model for new schools opening part-way during the year. The CBE has adjusted routes to reflect the needs of students.
- Increased students with complex transportation needs.
- Escalating costs due to contractual obligations.

Noon supervision fees

	Actuals 2018-19	Actuals 2017-18	Increase/ (Decrease)
(in \$ thousands)			
Available funding	-	-	-
School-based staff	10,764	10,497	267
Central administration	490	481	9
Contracts and services	407	353	54
Waivers	2,025	1,871	154
Uncollectible accounts	1,034	839	195
Total noon supervision costs	14,720	14,041	679
Funding gap	(14,720)	(14,041)	(679)
Fees	14,777	13,967	810
Net (deficit) / surplus	57	(74)	131

The 2018-19 noon supervision program budget was balanced. Fee rates were set at a level that covered the majority of the anticipated cost of running the program. Lunchroom staff are hired for a minimum of two hours per day (in accordance with the Staff Association collective agreement), however only 1.5 hours of labour are charged to the noon supervision program for which fees are recovered. The remaining 0.5 hours per day must be covered by each school's budget.

Actual 2018-19 results show that the fee revenues did cover all costs of providing the service; therefore, the remaining amounts are set aside in a related reserve to moderate year-over-year changes in fees.

In 2018-19, the average number of students attending the noon supervision program was 55,276. This was an increase of 1,812 students, or 3.3 per cent over the 2017-18 average student count of 53,464.

Attachment II

Schools, Areas and Service Unit functions and highlights

Schools and Facility Operations

Schools create engaging learning experiences and support students in a variety of ways. They also connect with families and communities to help support student success. For many CBE students and families, their experiences with the CBE occur solely through schools.

Schools make learning meaningful for individual students and their families. They work collaboratively with service units to create and implement system initiatives that enhance learning and honour the hopes of their students and families. Some of the ways this happens in schools include:

- Teachers personalize learning for students and communicate with families about their students' progress and achievement.
- Educational assistants provide valuable support to help students be successful.
- Principals provide leadership to school staff and lead learning at the school. They also work with school councils, parent societies and other groups to implement and communicate priorities and initiatives.
- Office staff communicate with students, employees and families to ensure there is a common understanding and implementation of processes and procedures.
- Facility operators keep schools clean and safe.
- Area directors support instructional leaders and teachers to improve teaching, learning and student success.

CBE schools are organized into seven Areas. Area offices play an important role in providing instructional leadership to principals, helping to deliver system services to schools, supporting school operations and ensuring effective collaboration amongst schools where appropriate. Area offices also work collaboratively to ensure directions for principals and schools across the system are aligned. Each area has an average of 35 schools and budget of approximately \$1.1 million.

A summary of year over year expenses for schools and facility operations are as follows:

Expenses	Actuals 2018-19		Actuals 2017-18		Increase/ (Decrease)		
	FTE	(\$000s)	FTE	(\$000s)	FTE	(\$000s)	%

Service Unit Corporate Accounts

There are 'corporate costs' that are managed by respective service units on behalf of the organization.

Specific service units are responsible for monitoring these costs and thus have these items included in their budget. As these costs are incurred for the entire system, they are grouped and presented together here as 'corporate accounts'.

	Chief Supt	Communications and Engagement Services	Facilities	Finance and Technology Services	Corporate Revenues	General Counsel	Human Resources	Learning	Education Matters	2018-19 Total	2017-18 Total	Change
(in \$000s)

Below is a quick overview of some activities which are typically incurred in corporate accounts, including:

Facilities and Environmental Services	Utilities, amortization, student transportation (chart buses, Handi-bus, taxis), maintenance, repair costs, etc.
Finance/ Technology Services	Technology licenses, subscription and fees, amortization for board funded assets, insurance etc.
General Counsel	External legal counsel fees
Human Resources	Professional Improvement Fellowship (in accordance with the ATA Collective Agreement), secondments, staff development funds, etc.
Learning	Programs supporting suicide prevention and therapeutic intervention, the budget for Calgary Police Services school resource officers, and amortization for learning information systems
Education Matters	In accordance with Public Sector Accounting Standards, EducationMatters is consolidated for the CBE's financial reporting purposes

Legal Services

Legal Services provides the business functions of law, privacy and access. The service unit handles the CBE's Administrative Regulation development, contract administration, Corporate Secretary and administrative support to the Board of Trustees.

Legal Services supports students, schools and the CBE by:

- Delivering important information and training to schools on complex legal and privacy issues.
- Providing or coordinating the delivery of legal services on behalf of the CBE.
- Providing risk mitigation oversight.
- Managing the CBE's compliance with Freedom of Information and Protection of Privacy Act (FOIP Act).
- Overseeing the CBE's compliance with applicable law, regulations and policies.
- Coordinating the development of the CBE's administrative regulations and procedures.
- Managing contract processes and standards and maintaining a repository.
- Providing legal counsel to the Board of Trustees and the Chief Superintendent.
- Managing the proceedings of the Board of Trustees.
- Maintaining the corporate record of the Board of Trustees proceedings.

Costs related to Legal Services are broken down in the following chart:

Expenses	Actuals 2018-19		Actuals 2017-18		Increase/ (Decrease)		
	FTE	(\$000s)	FTE	(\$000s)	FTE	(\$000s)	%
Certificated permanent salaries and benefits	1	125	1	112	-	13	12%
Non-certificated permanent salaries and benefits	10	1,078	11	1,522	(1)	(445)	(29%)

Textbooks and materials	-	12	-	12	-	-	0%
Amortization	-	24	-	28	-	(4)	(14%)
Total expenses	11	1,318	12	1,722	(1)	(405)	(23%)

Learning (excluding Chinook Learning Services)

Learning works with schools and Alberta Education to support the delivery of the Alberta Programs of Study to students and to support the professional learning of staff. Learning leads the implementation of curriculum, assessment and reporting resources. These resources assist teachers, students and parents to ensure students' progress and achieve in their learning. Learning staff support schools with the administration of Provincial Achievement Tests and diploma exams. Learning also supports schools with the changing world of technology and best instructional practices. These learning tools include D2L, HomeLogic, Iris, Gmail and Google Apps for Education and resources in school learning commons among many others.

Learning works with principals every day to offer support in the following areas: Indigenous education, attendance, suspensions, expulsions, student records, counselling, early learning services, English Language Learning, multicultural services, language and culture programs and specialized assessment.

Many specialized services for students are available for principals to access to support students including psychologists, braille assistants, deaf and hard of hearing specialists, mental health specialists, occupational and physical therapists, speech language pathologists, translators and more. These central supports are critical to teachers as they support the more than 21,000 students identified with special education needs, and to the more than 29,000 students identified as English Language Learners.

In addition, Learning is responsible for international students, corporate partnerships, comprehensive school health, school nutrition, noon-hour programs, off-site and off-campus learning programs.

Expenses	Actuals 2018-19		Actuals 2017-18		Increase/ (Decrease)

Chinook Learning Services

Chinook Learning Services supports student success to complete, upgrade or enhance their high school diplomas as they prepare to enter post-secondary institutions or the world of work. Programming that is not within the kindergarten – Grade 12 mandate is provided on a cost-recovery basis.

In 2018-19, Chinook Learning Services supported its students in several ways, including:

- High school upgrading
- Summer school for students in Grades 10-12
- Off-campus programs and summer band camps
- Adult English Language Learning
- Non-credit continuing education (professional development, personal development & corporate training).

Chinook Learning Services receives revenue from a number of sources including Alberta Education and Federal Government grants as well as other sales and services.

Starting in the 2018-19 school year, Chinook Learning Services moved from its previous locations and changed the scope of programs offered to students. Further information on the Chinook Learning Services Transition can be found [here](#).

Expenses	Actuals 2018-19		Actuals 2017-18		Increase/ (Decrease)

Facilities and Environmental Services

Facilities & Environmental Services (FES) provides students and employees with quality learning and working environments.

FES works closely with students, parents, communities, the City of Calgary, the Government of Alberta, to provide support and services including:

- Design of new and existing facilities
- Day-to-day operations maintenance, construction, renovation and modernization
- Internal deliveries, environmental initiatives
- Emergency, safety and security services
- Leasing, disposition and management of surplus space and facilities

Expenses	Actuals 2018-19		Actuals 2017-18		Increase/ (Decrease)

Communication and Engagement Services

Communication and Engagement Services creates and delivers consistent and timely messages to various stakeholders, including parents/guardians, students, staff, government, unions and associations and members of the community. This centralized department provides ongoing communications and community engagement advice and support to schools, service units, Board of Trustees and to support the CBE priorities.

Support includes:

- Being the “first point of contact” for the public, answering questions and directing inquiries through the public information line.
- Managing media relations and social media activities on behalf of the CBE, including emergency and crisis communication (fires, natural disasters, student or staff incidents, matters involving Calgary Police Services) advice and support for schools.
- Managing large-scale public engagement projects and providing advice and support to schools and service units in planning and managing their engagement activities.
- Providing strategic communications advice to schools, service units and the Board of Trustees.
- Managing the design and content of the CBE corporate website, internal employee website, individual school websites and other public and internal websites.
- Managing School Messenger, a mass and emergency communications tool. This includes technical administration and support as well as ongoing advice and training to users while continually looking for ways to improve and expand the capabilities of the tool.
- Managing the print, design and production of a variety of materials for schools and the CBE including templates, school brochures, banners and course guides. Also producing a variety of video and photo projects and online learning resources that support employee professional learning and share the good stories of schools and the system.

Expenses	Actuals 2018-19		Actuals 2017-18		Increase/ (Decrease)		
	FTE	(\$000s)	FTE	(\$000s)	FTE	(\$000s)	%

Total expenses	22	2,640	22	2,583	-	57	2%

Finance and Technology Services

Finance and Technology Services is made up of three integrated teams. The Financial Services group provides financial support and services to ensure resources are available to create a personalized learning environment for students including:

- Preparing the annual budget and related reports.
- Monitoring and reporting on financial performance through the year.
- Supporting sound financial practices in schools and across the CBE.
- Providing financial administration of school noon supervision services, student transportation, and instructional supplies and materials programs, including waivers and collections.
- Seeking the best deals possible when purchasing goods and services.
- Paying the bills on time.

Information Technology Services (ITS) designs, builds and supports the CBE's technology infrastructure and works to protect the integrity of the CBE systems against threats including:

- Operating across 260 discrete sites which involves approximately 300,000 connected devices.
- Supporting students every day, all year long with access to services and digital resources.
- Holding responsibility for massive volumes of data and records (digital and physical) generated annually.

Client Technology Services (CTS), works directly in schools and across the CBE to ensure that computers, tablets and other school-based technology (printers, digital displays, etc.) are available, accessible and appropriate for students and their learning. This includes:

- Working with teachers, principals and other school-based staff to develop targeted plans for technology.
- Empowering students to collaborate, connect, explore as they personalize their learning through the purposeful use of technology.
- Supporting the myriad of software solutions that are part and parcel of the modern learning environment.

Expenses	Actuals 2018-19		Actuals 2017-18		Increase/ (Decrease)

Human Resources

Human Resources supports employees with all matters related to their employment relationship with the CBE.

In 2018-19, the work of Human Resources supported students, schools and the CBE by:

- Supporting over 14,000 employees while they provide a first-class education to Calgary students.
- Proactively recruiting talent while balancing current and future projected needs.
- Supporting continuous learning and leadership development for all employees.
- Overseeing recruitment, total rewards, workforce planning, labour and employee relations, advisory services, employee development, payroll, the human resources management system, the Employee Health Resource Centre, operations and integrated solutions.
- Supporting employee engagement.

Expenses	Actuals 2018-19		Actuals 2017-18		Increase/ (Decrease)

Total expenses	110	12,962	88	13,187	22	(225)	(2%)

Chief Superintendent's Office

The Chief Superintendent's office leads strategic planning for student success based on the Board of Trustees' values and policies.

- The Chief Superintendent, as both the Chief Executive Officer and Chief Educational Officer, develops the Three-Year Education Plan to improve student success and ensures that students and their learning are at the centre of organizational decisions.
- The Deputy Chief Superintendent leads the learning and operations in all of the CBE's schools.
- The Chief Superintendent's Office is a key liaison point between all components of the CBE and the many individuals and groups who hold an interest in public education.

Expenses	Actuals 2018-19		Actuals 2017-18		Increase/ (Decrease)		
	FTE	(\$000s)	FTE	(\$000s)	FTE	(\$000s)	%

Amortization	-	2	-	2	-	-	0%
Total expenses	5	1,184	5	1,030	-	155	15%

Board of Trustees

The Board of Trustees represent, lead and serve Calgaryans and govern the CBE. This is done by establishing expectations for organizational results and quality operational performance and then monitoring actual performance against those expectations. This monitoring takes place at public board meetings.

The Board of Trustees works for the best interest of the CBE and its students. As part of its role, the Board connects with key stakeholders and advocates for the needs of the system with elected officials such as MLAs and City Councillors.

The Board of Trustees includes all items related to the governance of the organization including Trustee remuneration, office expenses and travel costs, financial audit fees, election costs, and Alberta School Boards Association fees.

The Board of Trustees does not include the cost of services and supports provided by the service units in delivering on the Board's governance responsibilities. Service and support costs to the Board are absorbed by the relevant service unit.

Staff who directly support and manage the proceedings of the Board of Trustees are included in General Counsel.

Attachment III

School facility projects

The following new schools and major modernizations are open, under construction and/or have been announced.

School	Project type	Status
Schools opened in 2018-19		
Glenmeadows School	Reopening	Sept. 2018
Joane Cardinal-Schubert High School	New school	Sept. 2018
Lord Beaverbrook High School	Modernization	Sept. 2018
James Fowler High School	Modernization	Sept. 2018
Schools that are opening in 2019-20 and beyond		
Northern Lights School (Coventry Hills/Country Hills Village)	New school	Projected Sept. 2020
Sibylla Kiddle School (Cranston)	New school	Projected Sept. 2020
Dr. Freda Miller School (Evergreen)	New school	Projected Sept. 2020
Forest Lawn High School	Modernization	Projected Spring 2021
Skyview Ranch Elementary/Middle School Project	New school	TBD
Mahogany Elementary School	New school	TBD
Coventry Hills High School (announced fall 2019)	New school	TBD
Auburn Bay Middle School (announced fall 2019)	New school	TBD
Auburn Bay Elementary (announced fall 2019)	New school	TBD

Attachment IV

Reserves

	Reserve balance Sept 1, 2018	Fall Update planned use of reserves	2018-19 proposed use of reserves	Reserve balance Aug 31, 2019
(in \$ thousands)				
Operating reserves				
Unrestricted reserves	28,311	(2,500)	(3,959)	24,352
Restricted reserves	(8,237)	-	33	(8,204)
Designated operating funds	5,903	-	943	6,846
Total operating reserves	25,977	(2,500)	(2,983)	22,995
Capital reserves				
Building reserve	9,019	-	-	9,019
Other capital reserves	14,383	(8,711)	(8,313)	6,070
Plant, operations and maintenance asset replacement	798	-	-	798
Total capital reserves	24,200	(8,711)	(8,313)	15,887
Total reserves	50,177	(11,211)	(11,296)	38,881

The 2018-19 planned budget anticipated the transfer of \$2.5 million from operating reserves. Based on the actual operating results for 2018-19, a draw of \$3.0 million was required from the operating reserves.

Unrestricted reserves is comprised of the Fiscal Stability reserve. This reserve was established at the end of 2006-07 and amended in September 2016 to:

- Stabilize the CBE's operating activities from year to year if provincial funding does not keep pace with student growth.
- Stabilize the CBE's operating activities from year to year in years of temporary student decline.
- Provide funds for planned or unexpected dramatic operational consequences or emergencies.
- Provide funds for one-time initiatives that generate operating budget savings.

The targeted minimum balance under the terms and conditions for this reserve is \$5 million or 0.5 per cent of the total annual operating budget. This is a modest amount for an organization the size of the CBE. Alberta Education guidance suggests reserve balances up to five per cent of the total annual operating budget may be appropriate. The CBE's philosophy is to spend the money received in the year on the students receiving service in that year. Reserve dollars should only be accumulated for specific purposes.

Capital activities in 2018-19 planned on using \$8.7 million from capital reserves. This included activities such as new school commissioning, solar power project, implementation of the replacement Student Information System (PowerSchool), Enterprise Portal Lifecycle upgrade and IT infrastructure upgrade. Some projects, such as PowerSchool and Enterprise Portal Lifecycle upgrade had timing delays, with work continuing in 2019-20 and requested carry forwards of \$5.5 million. As a result, the actual draw on capital reserves was \$8.3 million.

Attachment V

Glossary of terms and acronyms

Alberta Education revenue	All funds received from Alberta Education, including amortization of Alberta Education-funded facilities. This is sometimes referred to as Provincial funding.
Alternative programs	Section 21(1) of the Alberta School Act defines alternative programs as, “an education program that (a) emphasizes a particular language, culture, religion or subject matter, or b) uses a particular teaching philosophy.” CBE alternative programs include: All Boys, All Girls, Arts-Centered Learning, Canadian Studies, Montessori, Science, Traditional Learning Centre and immersion and bilingual language programs.
All other revenues	Gifts and donations, fundraising and rental of facilities.
Amortization	Amortization expenses for both supported and unsupported capital assets (“unsupported” capital assets are non-facility, “supported” capital assets are funded by externally restricted capital funding/contributions). Amortization is a “non-cash” expenditure which means that an equivalent amount of cash is available to support other priorities. As a general rule, the CBE uses amortization related cash to fund non-facility capital needs.
BAR	Budget Assumptions Report
Capital assets	These are goods that are acquired that have a useful life that extends beyond one year and are of more than minor value. For example, computers, most musical instruments, furniture, machinery, etc. Capital assets are amortized over their useful life. Amortization periods are defined by Alberta Education.
CBE	Calgary Board of Education
CEU	Credit Enrolment Units (CEU) are a funding unit used to calculate base instructional funding at the high school level. CEUs are assigned when the course, the student, and the student’s achievement in a course meet certain criteria.
Classroom Improvement Fund (CIF)	The Classroom Improvement Fund was originally designed as a one-time grant for the 2018-19 school year. It has been renewed for the 2018-19 year. The CIF is distributed to schools based on student enrolment. The focus is on hiring and retaining teachers and support staff, as well as better supporting students with complex needs, or those learning one of Canada’s official languages for the first time.
Collective agreement	An agreement between a union or association that sets out terms and conditions of employment including general wage increases, benefits, grid movement, and other employment terms.
Deferred maintenance	The practice of postponing repair and maintenance activities to property (such as school buildings) in order to save costs and/or meet budget funding levels.
Designated school	All students have a designated school that is determined by the attendance area set by the resident school board. Designated schools offer regular programming and are not schools of choice. Designated schools are usually, but not always, the closest school to the residence of the student that offers regular programming.
ECS	Early Childhood Services includes Kindergarten and educational programming for children as young as 2½ years old.
Enrolment	Total number of students including those enrolled in Home Education, outreach programs and Chinook Learning Services.
Expended deferred capital revenues (EDCR)	As facility capital projects are amortized (expensed) over the course of their estimated useful life, a corresponding amount of Alberta Education revenue is recognized to show that provincial funding fully offsets the cost of the building.
Fixed cost	A cost that will not change based on fluctuations in activity.
Fall Budget Update	An update to the budget submitted in the spring is due to Alberta Education by November 30 of each year. This Fall Update Budget reflects updated revenue and expense estimates for actual September 30 enrolment counts.
General wage increase	An overall wage increase or lump sum applicable to an entire union (or exempt) group.

Grid movement	The increase in the salary paid to an employee based on movement through progressive salary grid levels. The movement is based on the passage of time.
Infrastructure, maintenance and renewal (IMR)	<p>IMR funding is provided by the Province to ensure that the health, safety and essential upgrading needs of facilities are met. IMR funding may be spent only for approved purposes such as:</p> <ul style="list-style-type: none"> ▪ Ensure school facilities meet all regulatory requirements, particularly as they pertain to ▪ Providing a safe and healthy learning environment; ▪ Preserve and improve the quality of the learning environment by: <ul style="list-style-type: none"> ▪ Replacing building components that have failed, ▪ Prolonging the life of the facility through planned, proactive replacement of major components; and ▪ Upgrading of the educational areas to meet program requirements; ▪ Meet the facility requirements of students with special needs; and ▪ Replace or upgrade building components to improve energy conservation and efficiency and to achieve costs savings as a result.
Instructional supplies and materials (ISM)	Alberta Education's definition of ISM include the following items/costs: textbooks, workbooks, photocopying, printing/paper and any common fees charged to an entire student body or grade cohort.
Operational Expectations	Policies established by the Board of Trustees by which the Chief Superintendent's performance and successful operation of the organization is evaluated.
RAM	Resource Allocation Method
Regular program	A CBE school or program within a school that is not considered an alternative program.
Reserves	Dollars that have been accumulated from prior years that are available to support current year projects, programs and services. Reserves can be restricted by board motion or external parties.
Sales and services	Represent revenues for the provision of goods and services other than the direct provision of educational services to students. This line includes revenue related to adult education, international students, continuing education.
System administration	The overall management, administration and educational leadership of the CBE at the system level. Also includes Board of Trustees remuneration and office budgets. Examples include functions in human resources, finance, information technology, legal and communications that provide system-level support.
Total revenue	All funds received from Alberta Education plus all other revenues.
Unrealized investment gain / loss	Realized gains or losses on investments are reported when an investment is divested at an amount above or below the original cost. An unrealized gain or loss is recognized at each fiscal year-end date for investments that have not been disposed of but have changes in fair market value.

Independent Auditors' Report

To the Board of Governors of
EducationMatters, Calgary's Public Education Trust

Opinion

We have audited the financial statements of EducationMatters, Calgary's Public Education Trust (the "Trust"), which comprise the statement of financial position as at December 31, 2018, and the statements of operations, changes in fund balances and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Trust as at December 31, 2018, and its financial performance and its cash flows for the year ended December 31, 2018 in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matter

The financial statements of EducationMatters, Calgary Public Education Trust for the year ended December 31, 2017 were audited by another firm of Chartered Professional Accountants who expressed an unmodified conclusion on those financial statements on March 8, 2018.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate Trust or to cease operations, or has no realistic alternative but to do so.

EducationMatters, Calgary's Public Education Trust
Notes to Financial Statements
December 31, 2018

1. Nature of Trust

EducationMatters, Calgary's Public Education Trust, (the "Trust") was formed by way of a trust indenture on January 20, 2003. The Trust is a registered charity and a public trust under the *Income Tax Act* (Canada) and, accordingly, is exempt from income taxes and can issue donation receipts for income tax purposes. The Trust's mandate is to promote citizen engagement with and inspire passion for public education and to mobilize resources for programs that enhance public education.

The Board of Trustees of the Calgary Board of Education (the "CBE Board") appoints all Trust governors. At least two, but not more than 50%, of the Trust governors must be members of the CBE Board.

2. Significant accounting policies

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

(a) Revenue

The Trust receives contributions in the form of donations to specified funds, operating grants and event funding.

The Trust recognizes contributions when the amounts can be reasonably estimated and collection is assured.

The Trust follows the deferral method of accounting for restricted contributions related to general operations of the Trust. These contributions are recognized as revenue in the operating fund in the period in which the related expenses are incurred.

The Trust recognizes interest, dividends and fee revenue when the amounts are earned on an accrual basis.

(b) Trust funds

The Trust holds operating, flow-through and endowment funds. The Trust follows the deferral accounting method for the operating fund and the restricted fund accounting method for the flow-through and endowment funds.

The Trust restricts endowment fund grants in any fiscal period to a maximum of 4.5% of the market value of the endowment at the end of the prior fiscal year.

EducationMatters, Calgary's Public Education Trust
Notes to Financial Statements
December 31, 2018

Operating fund

Operating fund contributions received that relate to services to be provided in a subsequent period are shown as deferred operating contributions on the statement of financial position.

Flow-through fund

Flow-through funds are spent during the year in which they are received or the year following to support a wide range of programs and projects.

Endowment fund

Endowment funds are created by donors to provide long-term support for discretionary spending, general fields of interest or designated specific programs or projects.

(c) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and short-term investments with a maturity date of three months or less.

(d) Investments

Investments include pooled investment funds that consist of mutual funds and are measured at fair value.

(e) Property and equipment

The Trust capitalizes administrative assets, consisting of computer equipment and office equipment, at cost and amortizes them over their estimated useful lives of five years on a straight-line basis.

Property and equipment is evaluated for impairment when events or circumstances indicate its carrying value may not be recoverable. Any impairment is measured by comparing the carrying value of the assets to the fair value, based on the present value of future cash flows expected to be generated from the assets.

(f) Measurement uncertainty

The valuation of property and equipment is based on management's best estimates of the future recoverability of these assets and the determination of costs subject to classification as property and equipment. The amounts recorded for amortization of the property and equipment are based on management's best estimates of the remaining useful lives and period of future benefit of the related assets.

The valuation of accrued liabilities is based on management's best estimates of expenses incurred during the year that will be payable in future periods.

EducationMatters, Calgary's Public Education Trust
Notes to Financial Statements
December 31, 2018

By their nature, these estimates are subject to measurement uncertainty and the effect on the financial statements of changes in such estimates in future periods could be significant.

(g) Financial instruments

The Trust initially measures its financial assets and liabilities at fair value, except for certain non-arm's length transactions that are measured at the exchange amount.

The Trust subsequently measures all its financial assets and financial liabilities at amortized cost, except for investments in pooled investment funds that are quoted in an active market, which are measured at fair value. Changes in fair value are recognized in excess of revenue over expenditures.

Financial assets measured at amortized cost include cash and cash equivalents and accounts receivable. The Trust's financial assets measured at fair value include the pooled investment funds.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

Financial assets measured at cost or amortized cost are tested for impairment, at the end of each year, to determine whether there are indicators that the asset may be impaired. The amount of the write-down, if any, is recognized in excess of revenue over expenditures. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account. The reversal may be recorded provided it is no greater than the amount that had been previously reported as a reduction in the asset and it does not exceed original cost. The amount of the reversal is recognized in excess of revenue over expenditures.

The Trust recognizes its transaction costs in excess of revenue over expenditures in the period incurred for its equity investments and for all other financial assets and liabilities that are subsequently measured at fair value. Financial instruments that are subsequently measured at cost or amortized cost are adjusted by the transaction costs and financing fees that are directly attributable to their origination, issuance or assumption.

(h) Expenditures

Administrative expenses are charged to endowment funds in accordance with donor agreements. Interest income earned on flow-through funds is allocated to the operating fund in lieu of an administration fee. Expenses incurred for a specific fund are charged to that fund.

EducationMatters, Calgary's Public Education Trust
Notes to Financial Statements
December 31, 2018

(i) Donated services

Donated services are not recognized in the financial statements as there is no objective basis available to measure the value of such services.

3. Cash and cash equivalents

Cash and cash equivalents include short-term investments of \$1,675,708 (2017 - \$1,818,109) consisting entirely of investments in Canadian treasury bills with maturity dates of 90 days or less. Short-term investments yield an average interest rate of 1.22% (2017 - 1.05%).

4. Investments

	2018	2017
Pooled Funds - Endowment Fund	\$ 5,161,698	\$ 5,052,891
Pooled Funds - Operating Fund	<u>414,201</u>	<u>414,689</u>
	<u>\$ 5,575,899</u>	<u>\$ 5,467,580</u>

Investments are comprised of \$5,575,899 (2017 - \$5,467,580) in pooled investment funds measured at fair value. The Trust's policy is to liquidate gifted shares on the same day as they are received. There were no gifted shares held at December 31, 2018 or 2017.

Loss on investments of \$156,373 (2017 gain - \$439,661) includes unrealized loss of \$215,300 (2017 gain - \$392,876).

5. Property and equipment

	Cost	Accumulated Amortization	Net Book Value	
			2018	2017
Computer equipment	\$ 144,874	\$ 135,420	\$ 9,454	\$ 18,194
Office equipment	<u>25,850</u>	<u>25,699</u>	<u>151</u>	<u>1,135</u>
	<u>\$ 170,724</u>	<u>\$ 161,119</u>	<u>\$ 9,605</u>	<u>\$ 19,329</u>

6. Related party transactions

The Trust is economically dependent on contributions from the Calgary Board of Education ("CBE") and is committed to provide services to CBE in fund development, grants and student awards. During the year, the Trust received \$660,000 (2017 - \$660,000) from the CBE. Contributions in the amount of \$440,000 were deferred to 2019 in accordance with spending the funds over a twelve-month period and is included in the deferred operating contributions on the statement of financial position.

EducationMatters, Calgary's Public Education Trust
Notes to Financial Statements
December 31, 2018

The Trust rented office space and purchased services of \$38,993 (2017 - \$38,993) and \$6,265 (2017 - \$6,990), respectively, from the CBE.

Grants awarded to CBE schools by the Trust are distributed to recipients by way of the CBE. In 2018, this amount was \$1,020,914 (2017 - \$944,941).

7. Endowment funds

Endowment funds are invested to provide long-term support, and are comprised of the following:

	2018	2017
Cash and cash equivalents	\$ 234,224	\$ 205,391
Investments	<u>5,161,698</u>	<u>5,052,891</u>
	<u>\$ 5,395,922</u>	<u>\$ 5,258,282</u>

8. Commitments

The Trust's office lease with the CBE was renewed in September 2018 for an additional one-year term to August 31, 2019 and requires monthly rental payments of \$3,249.

9. Financial instruments

The Trust is exposed to the following significant financial risks:

(a) Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The financial instruments that potentially subject the Trust to significant concentration of credit risk consist primarily of cash and cash equivalents and investments. The Trust mitigates its exposure to credit loss by placing its cash and cash equivalents and investments with major financial institutions.

(b) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The Trust's investments in pooled investment funds expose the company to price risks as equity investments are subject to price changes in the open market.

EducationMatters, Calgary's Public Education Trust
Notes to Financial Statements

10. Additional information on fund development

(a) Expenses incurred to raise funds

	2018	2017
Fundraising event	\$ 12,785	\$ 26,346
Fund development expenses	18,000	22,680
Fund development salaries and benefits	<u>144,657</u>	<u>148,714</u>
	<u>\$ 175,442</u>	<u>\$ 197,740</u>

(b) Funds raised during 2018 were \$1,618,151 (2017 - \$1,807,418).

(c) Summary of disbursements

	2018	2017
Grants	\$ 1,032,194	\$ 996,911
Scholarships	<u>485,171</u>	<u>474,279</u>
	<u>\$ 1,517,365</u>	<u>\$ 1,471,190</u>

In 2018 there were three disbursements of contributions greater than 10% of the gross contributions received in 2018. The following projects were supported:

- (1) Calgary Board of Education Exploratory or Dual Credit programs engage in learning experiences that can earn students credits in high school and post-secondary education institutions simultaneously allow students to discover and explore career pathways, which can help them plan for successful transitions to post-secondary and/or the workforce, provide workplace certification/accreditation or offer preferred placement at post-secondary institutions. During the year ended December 31, 2018, contributions in the amount of \$316,500 (2017 - \$315,248) were disbursed to this project.
- (2) Library to Learning Commons projects transform school libraries in Calgary Board of Education Schools into modern, welcoming Learning Commons. During the year ended December 31, 2018, contributions in the amount of \$165,000 (2017 - \$217,695) were disbursed to this project.
- (3) Maker Education is a way of introducing engineering to young learners. Such concrete experiences provide a meaningful context for understanding abstract science and math concepts traditionally taught by schools while expanding the world of knowledge now accessible to students for the first time. During the year ended December 31, 2018, contributions in the amount of \$188,500 (2017 - \$NIL) were disbursed to this project.

EducationMatters, Calgary's Public Education Trust
Notes to Financial Statements
December 31, 2018

(d) Allocation of total expenditures and disbursements

Total expenditures and disbursements after allocation of salaries and benefits to the cost centres consist of the following:

	2018	2017
Grant disbursements	\$ 1,517,365	\$ 1,471,190
Communication expenses	4,975	14,341
Fund development expenses, excluding events	162,657	171,394
Events	12,785	26,346
Program expenses	595,417	581,734
Amortization expense	<u>9,724</u>	<u>9,724</u>
	<u>\$ 2,302,923</u>	<u>\$ 2,274,729</u>

Salary and benefit costs are incurred to operate the Trust and its programs in a cost-effective manner while maximizing all opportunities to further the Trust's mission. The Trust allocates salary and benefits based on the actual time spent in each cost centre by each staff person.

APPENDIX C: PROGRAM REPORTING

Section C.1 FUNDING FRAMEWORK PRINCIPLES

Financial resources for education identified by the provincial government are to be allocated to school jurisdictions on an equitable basis that recognizes the diversity among students and school systems and the costs associated with this diversity. The framework for funding provides school jurisdictions with flexibility in the processes of planning and budgeting for the delivery of educational programs and services. School jurisdictions are accountable to the Province, through Alberta Education, and the public for their expenditures and results.

The Province, through Alberta Education, determines the educational funding allocated to school boards. School boards are then responsible for establishing policy and allocating appropriate funds to schools. Alberta Education, has assumed funding responsibility for approved current and future costs of school building projects and for debt on certain existing schools through Alberta Treasury and Finance. In its efforts to direct more resources to instructional services, Alberta Education has imposed specific limitations on Board and System Administration expenditures of 3.6% - 5.4% of total expenses.

Section C.2 CHART OF ACCOUNTS - OVERVIEW

Each school jurisdiction's chart of accounts reflects unique information needs and organizational structure as well as program accounting and reporting requirements of Alberta Education.

For purposes of the Audited Financial Statements submitted to Alberta Education, the basic levels of accounting information and code structures must provide information consistent with definitions within the object, program and sub-program classifications.

Location codes must be used to track program costs for each facility in a jurisdiction in the event information reports are required by Alberta Education and/or Alberta Infrastructure. Activity codes may be used by school jurisdictions for administrative purposes in tracking unique project costs or specific elements within a program. Commencing September 1, 2016, revenues and expenses for each fee must also be tracked in order to demonstrate that "school fees collected have been spent for the same purpose for which they were collected".

Section C.3 REPORTING UNIT DEFINITIONS

PROGRAM AND SUB-PROGRAM

A program represents any plan or system under which action is taken toward a goal(s).

OBJECT

Revenues and expenditures are described according to their nature or characteristics (e.g. salaries; supplies and materials).

ACTIVITY

Activity provides another level of classification for identifying similar groups or processes.

LOCATION

A location code defines a decision unit such as a site, school, department or individual.

Section C.4 PROGRAMS/SUB-PROGRAM FUNDING

The *Funding Manual for School Authorities 2017/2018 School Year* describes the purposes and formulae for the funding framework. However, it is important to note that aside from some targeted funding such as the Regional Collaborative Service Delivery (RCSD) and Board and System Administration expenditure limit, school jurisdictions currently have the flexibility to determine how the funds are best directed. As such, the funding envelope does not necessarily have to correspond with the programs to which revenues are assigned for financial statement purposes.

Section C.5 PROGRAM DEFINITONS

C.5.1 INSTRUCTION

Early Childhood Services and Grades 1 – 12 instruction is the provision of activities dealing directly with or aiding in the teaching of students or improving the quality of teaching. The costs of personnel, services, supplies, and furnishings and equipment are allocated to the program, along with capital equipment amortization on the basis of the direct benefit or service contributed. All academic, vocational and technical courses, along with organized instructional activities which may be remedial and/or developmental in nature are included in this definition. Support to instruction is classified in two groups:

School Administration and Instruction Support

School administration and instruction support includes the provision of activities at school level that do not provide direct instruction to the student in the classroom. Costs for these activities include:

- Release time and allowances for principals, vice-principals, assistant principals, department heads and coordinators;
- Clerical and support staff (staff not working directly in classrooms in support of students, but in an administrative support role) remuneration;
- Library, counseling and testing services provided by school-based staff;
- Support services provided from outside the school (such as contracted services for assessments, therapy for students, etc.) at the school's discretion and supported by the school's budget;
- Communications and document reproduction equipment for instructional support staff;
- Administrative services, contracts and supplies.

System Instructional Support (SIS)

SIS consists of activities of certificated and non-certified staff across the school jurisdiction for system-based instruction services to:

- Support the implementation of instruction and curriculum;
- Cover other boards' costs, paid to a hosting board in a consortia for services such as film libraries, regional assessment services and professional development consortiums;
- Audit School Generated Funds;
- Coordinate in-service instruction to school staff;
- Assist teachers with program delivery;
- Implement system-wide change initiatives (e.g., curriculum, library, counselling and testing services); and
- Liability insurance related to instructional personnel.

These activities are at the discretion of the board and are budgeted at the system level. Generally, "school generated fund" revenues & expenses may be classified to instruction if it relates to broadening the educational experience of qualifying students.

C.5.2 PLANT OPERATIONS AND MAINTENANCE (PO & M)

PO & M consist of activities that relate to the jurisdiction's responsibility for the construction, operation, maintenance, safety and security of all school buildings, including costs relating to the supervision of this program.

Costs associated with this program include:

- Remuneration expenses for the supervisor of operations and maintenance of school facilities and all clerical and support staff associated with this program;
- Repair, maintenance and security of school buildings, equipment and grounds including services, contracts and supplies;
- Costs related to cleaning and janitorial activities and supplies in school facilities;
- Costs of utilities for school and maintenance facilities;
- Liability insurance related to the proportion of maintenance personnel;
- Property insurance on school building and maintenance facilities;
- Amortization of school and shop facilities, and vehicles and equipment that was purchased with PO & M revenues, with a historic cost of \$5,000 or greater;
- General operational costs associated with the maintenance programs;
- Costs associated with maintenance staff involvement in the capital planning cycle;
- Costs associated with Occupational Health and Safety activities;
- Emergency planning; and
- Facilities Planning and Development – The entire planning, development and construction cycle for capital building projects carried out by central office.

C.5.3 TRANSPORTATION

Activities related to the transportation of students to, from and between schools, and boarding of eligible students away from home.

Costs associated with this program include:

- Remuneration expenses for the supervision of student transportation and all clerical and support staff associated with the program, including bus aides;
- Conveyance of students to and from school whether buses are contracted or board operated;
- Repair and maintenance of transportation vehicles;
- Operating lease payments on transportation vehicles;
- Amortization of capital costs of transportation vehicles, equipment and shop facilities with a historic cost of \$5,000 or greater;
- Property insurance on bus shops and barns and equipment;
- Liability insurance related to the proportion of transportation personnel;
- Vehicle insurance on board owned vehicles used for student transportation;
- Amounts paid to third-party operators for the transportation of students to & from school;
- Utilities for transportation facilities;
- General operational costs associated with the transportation programs; and
- The sale (Fees) and cost (Services, contracts, and supplies) of public transit passes.

Revenues and expenses associated with the use of transportation services for field trips, co-curricular trips and athletic trips, etc. should be recognized under programs other than transportation (Grade 1 – 12 instruction, for example). If buses are rented to other groups for ancillary revenue, the associated revenues & expenses should be reported as "Other Revenue" under the Transportation program.

C.5.4 BOARD & SYSTEM ADMINISTRATION (BSA)

BSA are system-wide activities for the purpose of general regulation and direction of the affairs of the school jurisdiction. Costs relate directly to the operation of the boards of trustees, superintendents, secretary-treasurers and their respective staffs, including supplies and amortization of administrative equipment and facilities. Categories include:

Board Governance

Board Governance includes activities related to the work of the elected body responsible for all activities within the jurisdiction. All payments to trustees and for expenses incurred by the body for such things as travel, membership fees and school board elections.

Office of the Superintendent including Instructional Services / Educational Administration

This category includes activities related to overall jurisdiction educational leadership and administration. This includes those performed by the superintendent of schools; deputy, associate and assistant superintendents. These duties are restricted to functions that may not be considered System Instructional Support. Note that for the purposes of the Unaudited Schedule of Central Administration Expenses, costs associated with the Superintendent's office (including administration staff) should be segregated from other instructional services.

Activities associated with educational administration include:

- System level planning;
- Instructional staffing allocations (human resource planning, and implementation);
- New programming implementation and review;
- Monitoring and evaluation of programs, schools, & the system; and
- Hiring, supervision and evaluation of principals and staff.

Business Administration (Office of the Secretary-Treasurer)

Business administration includes activities related to the business and financial operations of the school system at the jurisdictional level, performed by the Secretary-Treasurer and related business/finance support staff including:

- Corporate budgeting;
- Financial accounting including accounts payable and receivable, and internal and external audits (excluding School Generated Fund audits which falls under SIS);
- Legal services;
- Liability insurance related to the proportion of central office administrative personnel;
- Property insurance for the administration facility;
- Activities related to the Corporate Secretary and Corporate Treasurers office;
- Corporate records management; and
- May include the payroll function.

This program does not include support service activities based at the school level.

General Services Management

General services management are activities related to central support services such as:

- Human Resources – Personnel planning, employment and development on behalf of the school system as a whole;
- Central Purchasing – Purchasing of services, contracts and supplies on behalf of the school system and with the approval of department managers;

C.5.4 BOARD & SYSTEM ADMINISTRATION (BSA) (Continued)

General Services Management (continued)

- Communications, Public Relations and Marketing – Costs associated with system-wide communications and marketing activities;
- Information Technology; and
- May include the payroll function.

Administration Buildings

These activities relate to the administration building of the division including:

- Operating costs;
- Operating lease payment;
- Interest expense on capital loan associated with the administration buildings;
- Amortization expense of administration buildings.

C.5.5 EXTERNAL SERVICES

Includes services offered outside the board's regular educational programs for ECS children and students in grades 1 to 12 who are served by the board. Activities such as adult education, family school liaison programs and those of a cultural and recreational nature are included in this program.

Other costs associated with this program may include:

- Community services, and community use of schools (at cost recovery);
- Joint use agreements with municipalities (may also be classified as PO&M);
- Sales and services provided to external organizations and individuals;
- Administration costs associated with Regional Collaborative Service Delivery (RCSD) and the Regional Learning Consortia (for "banker boards" only);
- Cafeteria programs of a non-instructional nature;
- Noon-hour and lunch room supervision in schools (may also appear under instruction programs);
- Daycare & pre-kindergarten services;
- Any other activity that does not fall into regular programs; and
- Continuing education programs (see below);

Funding that has been provided to support ECS to Grade 12 programs cannot be used to support any adult programs. Programs and courses offered to adult students (20 years or older on September 1st) should be accounted for in a manner that separates them from ECS to Grade 12 funds. These programs must be offered on a cost-recovery basis.

External services must not incur a deficit and funding from Alberta Education must be limited to targeted funding of such programs.

Jurisdictions offering General Interest Courses, Adult Post-Secondary Programs leading to credentials and/or Adult Post-Secondary Upgrading Programs (which are included as an "External Service" in the Budget Report and AFS) must provide a full cost accounting for these programs or courses upon request. Jurisdictions must allocate overhead and indirect costs on the basis of student counts, program space requirements, staffing allocations, or another predetermined method that is reasonable. If the board incurs an accumulated deficit, it must be eliminated in the following year. A surplus generated by adult post-secondary programs may be carried forward or used at the board's discretion.

SCHOOL JURISDICTION MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The financial statements of Calgary School District No. 19 o/a Calgary Board of Education presented to Alberta Education have been prepared by school jurisdiction management which has responsibility for their preparation, integrity and objectivity. The financial statements, including notes, have been prepared in accordance with Canadian Public Sector Accounting Standards and follow format prescribed by Alberta Education.

In fulfilling its reporting responsibilities, management has maintained internal control systems and procedures designed to provide reasonable assurance that the school jurisdiction's assets are safeguarded, that transactions are executed in accordance with appropriate authorization and that accounting records may be relied upon to properly reflect the school jurisdiction's transactions. The effectiveness of the control systems is supported by the selection and training of qualified personnel, an organizational structure that provides an appropriate division of responsibility and a strong system of budgetary control.

Board of Trustees Responsibility

The ultimate responsibility for the financial statements lies with the Board of Trustees. The Board reviewed the audited financial statements with management in detail and approved the financial statements for release.

External Auditors

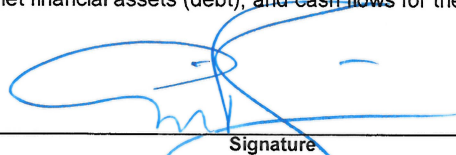

The Board appoints external auditors to audit the financial statements and meets with the auditors to review their findings. The external auditors were given full access to school jurisdiction records.

Declaration of Management and Board Chair

To the best of our knowledge and belief, these financial statements reflect, in all material respects, the financial position, results of operations, remeasurement gains and losses, changes in net financial assets (debt), and cash flows for the year in accordance with Canadian Public Sector Accounting Standards.

INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of the Calgary Board of Education

Opinion

We have audited the consolidated financial statements of the Calgary Board of Education (the Entity), which are presented in the format prescribed by Alberta Education, and which comprise:

- the consolidated statements of financial position as at August 31, 2019 and 2018
- the consolidated statements of operations for the years then ended
- the consolidated statements of cash flows for the years then ended
- the consolidated statements of changes in net debt for the years then ended
- the consolidated statements of remeasurement gains and losses for the years then ended
- and notes to the consolidated financial statements, including a summary of significant accounting policies and complete Schedules 1,2,3,5, and 6, Schedule 4 excluding the row under "Square Metres", and Schedule 7 excluding the column "FTE"

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the consolidated financial position of the Entity as at August 31, 2019 and 2018, and its consolidated results of operations, its consolidated remeasurement gains and losses, its consolidated changes in net debt and its consolidated cash flows for the years then ended in accordance with Canadian public sector accounting standards and the presentation requirements of Alberta Education.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the “***Auditors’ Responsibilities for the Audit of the Financial Statements***” section of our auditors’ report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. Other information comprises:

- the information, other than the financial statements and the auditors’ report thereon, included in the Management’s Discussion & Analysis document.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit and remain alert for indications that the other information appears to be materially misstated.

We obtained the information, other than the financial statements and the auditors’ report thereon, included in Management’s Discussion & Analysis document as at the date of this auditors’ report.

If, based on the work we have performed on this other information, we conclude that there is a material misstatement of this other information, we are required to report that fact in the auditors’ report.

We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group Entity to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

INDEPENDENT PRACTITIONER'S REASONABLE ASSURANCE REPORT

To the Board of Trustees of the Calgary Board of Education

We have undertaken a reasonable assurance engagement of the accompanying FTE and Metres Square as reported in the specific rows "Square Metres – School buildings" in Schedule 4 and column "FTE" in Schedule 7 (the "subject matter information") both prescribed by Alberta Education of the Calgary Board of Education (the "Entity") for the years ended August 31, 2019 and 2018.

Management's Responsibility

Management is responsible for the preparation and presentation of the subject matter information in accordance with the criteria established by Alberta Education in the AFS Guidelines (the "applicable criteria").

Management is also responsible for such internal control as management determines necessary to enable the preparation of the subject matter information that is free from material misstatement, whether due to fraud or error.

Practitioner's Responsibilities

Our responsibility is to express a reasonable assurance opinion on the subject matter information based on the evidence we have obtained. We conducted our reasonable assurance engagement in accordance with Canadian Standards on Assurance Engagements (CSAE) 3000, *Attestation Engagements Other than Audits or Reviews of Historical Financial Information*. This standard requires that we plan and perform this engagement to obtain reasonable assurance about whether the subject matter information is free from material misstatement.

Reasonable assurance is a high level of assurance, but is not a guarantee that an engagement conducted in accordance with this standard will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users of our report.

The nature, timing and extent of procedures performed depends on our professional judgment, including an assessment of the risks of material misstatement, whether due to fraud or error, and involves obtaining evidence about the subject matter information.

We believe the evidence we obtained is sufficient and appropriate to provide a basis for our opinion.

Practitioner's Independence and Quality Control

We have complied with the relevant rules of professional conduct/code of ethics applicable to the practice of public accounting and related to assurance engagements, issued by various professional accounting bodies, which are founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour.

The firm applies Canadian Standard on Quality Control 1, *Quality Control for Firms that Perform Audits and Reviews of Financial Statements, and Other Assurance Engagements* and, accordingly, maintains a comprehensive system of quality control, including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Opinion

In our opinion, the subject matter information of the Entity for the years ended August 31, 2019 and 2018 is prepared, in all material respects, in accordance with the applicable criteria.

Specific Purpose of Subject Matter Information

The subject matter information has been prepared in accordance with the applicable criteria. As a result, the subject matter information may not be suitable for another purpose.

School buildings								1,500,514.0	1,485,040.0
Non school buildings								58,767.0	58,767.0

Note:

Custodial: All expenses related to activities undertaken to keep the school environment and maintenance shops clean and safe.

Maintenance: All expenses associated with the repair, replacement, enhancement and minor construction of buildings, grounds and equipment components. This includes regular and preventative maintenance undertaken to ensure components reach or exceed their life cycle and the repair of broken components. Maintenance expenses exclude operational costs related to expensed IMR & Modular Unit relocations, as they are reported on separately.

Utilities & Telecommunications: All expenses related to electricity, natural gas and other heating fuels, sewer and water and all forms of telecommunications.

Expensed IMR & Modular Unit Relocation & Lease Pmts: All operational expenses associated with non-capitalized Infrastructure Maintenance Renewal projects, modular unit (portable) relocation, and payments on leased facilities.

Facility Planning & Operations Administration: All expenses related to the administration of operations and maintenance including (but not limited to) contract administration, clerical functions, negotiations, supervision of employees & contractors, school facility planning & project 'administration', administration of joint-use agreements, and all expenses related to ensuring compliance with health and safety standards, codes and government regulations.

Unsupported Amortization & Other Expenses: All expenses related to unsupported capital assets amortization and interest on unsupported capital debt.

Supported Capital & Debt Services: All expenses related to supported capital assets amortization and interest on supported capital debt.

TOTAL EXPENSES	\$ 874,000	\$ 823,394
ANNUAL SURPLUS/DEFICIT	\$ -	\$ 53,835

**BOARD AND SYSTEM ADMINISTRATION (FOR INFORMATION ONLY - NOT PART OF FINANCIAL STATEMENTS)
2018/2019 EXPENSES UNDER (OVER) MAXIMUM LIMIT**

3030

TOTAL EXPENSES (Net of rental revenue from central administration building) \$1,387,764,000

Enter Number of Net Enrolled Students (adjusted for adult & underage students): 114,128

Enter Number of Funded (ECS) Children (headcount): 9,029

"C" if Charter School []

STEP 1

Calculation of maximum expense limit percentage for Board and System Administration expenses

If "Total Net Enrolled Students" are 6,000 and over = 3.6% 3.60%

If "Total Net Enrolled Students" are 2,000 and less = 5.4% —

The Maximum Expense Limit for Board and System Administration is based on an arithmetical proration for the TOTAL FTE count for grades 1 -12, net of Home Education AND Adult students, between 2,000 to 6,000 at .00045 per FTE (Example: 4,500 FTE count grades 1-12 = 6,000 - 4,500 = 1,500 X .00045 = 0.675% plus 3.6% = maximum expense limit of 4.275%).

STEP 2

A. Calculate maximum expense limit amounts for Board and System Administration expenses

Maximum Expense Limit percentage (Step 1) x TOTAL EXPENSES \$49,959,504

B. Considerations for Charter Schools and Small School Boards:

If charter schools and small school boards,

The amount of Small Board Administration funding (*Funding Manual* Section 1.13) \$0

2018/2019 MAXIMUM EXPENSE LIMIT (the greater of A or B above) \$49,959,504

Actual Board & System Administration from Line 30 of "Schedule of Program Operations"
net of rental income (Board & System Administration Column) \$47,625,000

Amount Overspent \$0

(Explain reason(s) for over-expenditure if amount overspent in cell "I38" is greater than zero).
