6.03 The employer will provide to the union a list of training facilities.

6.05 Employees will not normally be eligible to make application for vacancies within twelve (12) months of their transfer or promotion to their present position. Exceptions are vacancies arising from the creation of a new position or when the vacancy within the same school or facility is a promotion. Employees who obtain new qualifications during the twelve (12) month period referenced above may be eligible to apply on vacancies as a result of obtaining such qualifications provided the vacancy is a promotion.

Prior to transferring an employee, the Board shall discuss with the Union the circumstances for such a transfer and outline the reasons in writing.
- 6.10 The Union and the Board may mutually agree to transfer employees between departments for good and valid reasons, on a case by case basis.
- 6.11 A posting will not be required where a vacant position is filled as a result of the application of Clause 6.09 and/or 6.10.

ARTICLE 7 - RELOCATION, LAY OFF AND RECALL

- 7.01 Employees who are relocated only because of closure of their location shall retain their regular salary when placed into another position of lower classification. Laid off employees on the recall list will be offered vacant continuous positions for which they possess the required qualifications and ability to do the work, at the same or lower hourly rate, at the same or fewer hours of work. If more than one vacant continuous position exists, the laid off employees, by order of general seniority, will be offered the vacant positions, for which the employee has the required qualifications and ability to do the work. If an employee accepts a continuous position, they are removed from the recall list. An employee may reject a continuous position and remain on the recall list.

Should no vacant continuous positions be available, laid off employees may be offered a temporary position, in order of general seniority, for which they possess the required qualifications and ability to do the work. If an employee accepts a temporary position, they are not removed from the recall list. An employee may reject a temporary position and remain on the recall list.

7.06 New employees will not be hired until all employees on the recall list who possess the qualifications and ability necessary for the work available have been offered the continuous position.

7.07 Employees on the recall list will continue to accrue general and department seniority for the period of time they remain on the recall list, and can bid on vacant positions for the period of time they remain on the recall list.

7.08 Employees subject to recall, as in Clause 7.05, shall be notified by registered letter, forwarded to the last known address, with a copy provided to the CUPE Local 40 office to the attention of the Secretary of the Union.

7.09 An employee so notified shall respond, in writing, within five (5) working days, of the intent to return to work. The written response should be sent as outlined in the recall letter of Clause 7.08.

7.10 Failure by an employee to report to work within ten (10) working days of receipt of the letter shall result in termination of employment.

7.11 Any employee who has not been recalled within one (1) year shall be regarded as terminated.

7.12 Layoff Allowance

7.12.1 Subject to the conditions specified, employees participating in LAPP who are laid off by the Board shall receive an allowance based on the following formula:

(b) the employee has not refused reasonable alternate employment for which they are qualified, while on the recall list, offered by the employer; and

(c) the allowance is based on the employee's salary as at the date of layoff

7.12.2 Subject to the conditions specified, employees not participating in LAPP who are laid off by the Board shall receive an allowance based on the following formula:

After five (5) years of service: two (2) weeks' salary at the rate of pay immediately prior to retirement;

After ten (10) years' service: three (3) months' salary, plus one (1) month's salary for each additional three (3) years of service beyond ten (10), to a maximum of six (6) months' salary.

- 8.03.2 The Board shall state on each written reprimand or other disciplinary action the period for which it shall remain on the employee's personnel file and that employee and the Union shall be so notified.
- 8.03.3 An employee shall have supervised access to their personnel file and be notified whenever a disciplinary report is placed on their file. The employee may reply, in writing, to any such reports contained in their file. Such replies shall be removed at the same time as the report responded to is removed.
- 8.03.4 It shall be a shared responsibility between the Board, the Union and the employee to ensure that the written reprimand or other disciplinary action is removed from the employee's file. However, in no case shall the information contained in such be used against the employee past the removal date.
- 8.04 An employee covered by this Agreement may be dismissed for proper or sufficient cause whereupon the employee shall not be entitled to notice or pay. - (e) nine (9) weeks if the employee has been employed for ten (10) years or more;

or a sum of money equal to the wages the employee would have earned if the employee had worked their regular hours of work for the period of notice applicable to the employee, or a combination of a portion of the notice of termination required together with the money that is at least equal to the wages an employee would have earned, if such employee had worked their regular hours of work for the period of notice applicable to the employee under this Clause, that is not given.

The intent of this Clause is to enable these days to be connected to weekends to provide for a longer break, unless mutually agreed otherwise. These days will not be unreasonably withheld.

9.03.3 It is not intended that this provision create additional accounting for new employees hired during the school year, or for those employees who leave the Board during the school year (i.e., those employees who terminate their employment with the Board during the school year shall not be reimbursed for the additional fifteen (15) minutes worked per day).

9.04 When schools are in session or otherwise being used, the lunch breaks shall be no shorter than one-half ($\frac{1}{2}$) hour and no longer than one and one half-hour in duration.

THE CALGARY BOARD OF EDUCATION & CUPE LOCAL 40

RE: WORKFORCE ADJUSTMENT STRATEGY

Building upon the Working Relationship Commitment, the parties have agreed to create an opportunity to work co-operatively and proactively to minimize the negative impacts associated with workforce adjustments.

When the CBE determines that the potential for lay-off exists, CBE will identify the potential for lay-offs to the Labour Management Committee. The Labour Management Committee may strike a smaller sub-set of the Labour Management Committee made up of equal representation of both parties, with each party selecting their representatives, to a maximum of six people, to form a Joint Workforce Committee.

The Joint Workforce Committee shall meet prior to issuing layoff notices for the purpose of exploring and identifying alternatives. Each situation will be assessed on its own merits and a customized approach will be adopted in selecting alternatives available.

In keeping with the ideals of the Working Relationship Commitment, the full cooperation of the CBE, Union and employees will be required to successfully implement this Workforce Adjustment Strategy. It will call for consultation, flexibility, open communication and sensitivity by all.

The Guiding Principles for the CBE and the Union are:

- treat employees with dignity and respect;
- respect long service;
- expedite the placement of employees;
- minimize the disruption to employees and the CBE;
- maintain the integrity of positions (skills, abilities and qualifications) and training and development processes;
- recognize the skills, knowledge, abilities and qualifications of the employee and their desires and career aspirations;
- provide alternate employment opportunities to employees who are willing to accept reasonable changes; and
- where options exist, provide choices and alternative solutions to affected employees.

It is recognized that the CBE cannot guarantee the continuation of a specific position or job, however, by acting proactively the Joint Workforce Adjustment Committee can explore all options to reduce the impact on employees.

Should one or both of the parties not agree to form or participate in the Workforce Adjustment Committee, or should any employee fail to agree with the Workforce Adjustment Plan developed by the joint committee for them, Article 7, Relocation, Lay-off and Recall shall apply.
