

February 4, 2019

Dear Student and Parents/Guardians,

Notice: Rosscarrock School

We would like to inform you of Administration's recommendation that will be presented to the Board of Trustees with respect to Rosscarrock School.

We appreciate the time and care that parents and community members have taken to provide feedback through meetings and an online survey. This information played a role in determining how this recommendation was brought forward.

In keeping with the identified outcomes of establishing a sustainable, long term learning continuum for students and effective use of space and resources, the Director of Property, Planning & Transportation and the Director of Area 7 will be bringing the following recommendation forward to the Board of Trustees. The Trustees will receive the report from Administration at the Board Meeting on February 5, 2019. This recommendation will be presented only once to this Board of Trustees on February 5, 2019.

At the Regular Meeting of the Board of Trustees on February 5, 2019, administration will be recommending that Trustees consider:

- Closure of Rosscarrock School effective June 30, 2019

If this motion is passed this accommodation plan would invoke the provincial *Closure of Schools Regulation*, which applies to:

- The closure of three or more consecutive grades in a school
- The transfer of all students from one school building to one or more other school buildings on a permanent basis

If the Trustees move to consider the closure of Rosscarrock School, there will be further opportunities to provide feedback as the consideration of closure process progresses. More information will be available on the Rosscarrock School website <http://school.cbe.ab.ca/school/Rosscarrock/Pages/default.aspx>

Check back regularly for updates and meeting information.

Sincerely,

Calvin Davies
Director, Area 7

Carrie Edwards,
Director Property, Planning & Transportation
