1221 8 Street S.W.**

Calgary Board of Education Modernization Renovation Projects

In January 2014 the Calgary Board of Education received approval from the Province of Alberta for major modernization projects at Jack James High School, Bowness High School, and Harold W. Riley School (Aboriginal Learning Centre).

The Calgary Board of Education will be holding an Open House on Wednesday, June 18 to give community stakeholders the opportunity to learn more about these projects. Please drop in to view preliminary siting and project development information and ask questions about the facilities.

As we are in the early stages of the design and build process, information on enrolment and programing will not be available at this meeting. Further public engagements will be scheduled as the work progresses.

There will be no formal presentation. Please feel free to drop in any time between 6:00 and 8:00 p.m.
